

Presentation for Elder Friendly Futures Panel, Oct 9, 2:30 pm

Raleigh A. Bowden, M.D. (raleighbowden@gmail.com)

Founder and Director, the Lookout Coalition, a program of Room One, Twisp, WA

I. Introduction:

- a. A bit about me
- b. The setting in which I work for context of this talk

II. Lookout Coalition: Mission and vision: Founded in 2011

- a. Mission
- b. Vision
- c. Part of the non-profit social service agency Room One in Twisp, WA

III. Lookout Coalition: Staff: ALL VOLUNTEER health care providers

- a. Who are we?
- b. How do we do our work?
- c. Annual budget
- d. Client sharing and staff training
- e. How much do each of us work?
- f. They are licensed, insured, required to be available 50% of the year, undergo annual evaluations

IV. What we do; what we don't do

- a. What we do as part of our job?
- b. We do NOT do; how we distinguish ourselves from other medical and non-profit services in our community

V. What we do on a monthly basis

- a. How many clients do we see per month, what is our average census?
- b. What work do we do per client?
- c. How do we interact with other health care providers?
- d. Referrals to other agencies in the Valley and County
- e. Follow-up house calls

VI. Lookout Statistics 2013

- a. We saw 70 Clients in 2013 of those, what were their underlying diagnoses?
- b. How many were on hospice?
- c. How many died?

Question: How do you take this model to other rural and urban communities?
