Elder Homelessness: A Community-Based Participatory Research Approach to an Emerging Crisis

Anita Souza, Clinical Assistant Professor, University of Washington School of Nursing

Robert Bowery, Director of Clinical Service, Compass Housing Alliance

ANITA SOUZA BIO

Anita Souza, PhD is a Clinical Assistant Professor at the University of Washington where much of her research is focused on addressing the needs of older homeless adults. Anita has extensive experience in both the clinical and community health settings. Anita has Bachelors in Gerontology from the University of Massachusetts Boston and Ph.D. in Nursing Science from the University of Washington.

ROBERT BOWERY BIO

Robert Bowery, M.A. is the Director of Clinical Services at Compass Housing Alliance where he oversees all of their programs and is invested in meeting the needs of the aging homeless population. Robert is also an affiliated faculty for the UW School of Nursing where he is involved in an intensive CBPR partnership with Dr. Souza. Robert has a B.S. in Psychology from the University of Pittsburgh and a M.A. in Clinical Psychology from the Arizona School of Professional Psychology, Argosy University.
