

## **Plant Health, Safety & Environmental Supervisor January 2008**

Degree: BS Safety, Environmental or related degree

Years of Safety Experience: 0-4 years

Salary: \$50,000 - \$60,000 plus 8% bonus program

Location: Phoenix, Arizona

Industry: Manufacturing

**MUST have a Bachelor's degree in related field and internship ideally within a plant environment.** This position will be responsible for working closely with the plant HSE Manager in providing insight and EHS support for a non-union manufacturing plant and distribution center in Phoenix, Arizona. This person will facilitate implementation of effective EHS programs that ensure compliance with company and regulatory requirements. Eliminate or reduce the occurrence of unwanted, undesired events (injuries, illnesses, unsafe acts, unsafe conditions, etc.) and facilitate the development and maintenance of behaviors, attitudes and a culture that supports the goals of the corporation's HSE Programs. Very strong and stable organization with excellent career growth potential.
