MEETING FAMILY NEEDS – NURSE

The following survey is about nurse-family relationships. On the scales below, “0” = “not satisfied at all” / “not close at all” and “10” = “very satisfied” / “very close”. Please circle one number for each question.

1. How satisfied were you with how well you met the family’s physical needs while their loved one was in the ICU? *(Circle one number)*

Not satisfied at all	0	1	2	3	4	5	6	7	8	9	10	Very satisfied
----------------------	---	---	---	---	---	---	---	---	---	---	----	----------------

2. How satisfied were you with how well you met the family’s emotional needs while their loved one was in the ICU? *(Circle one number)*

Not satisfied at all	0	1	2	3	4	5	6	7	8	9	10	Very satisfied
----------------------	---	---	---	---	---	---	---	---	---	---	----	----------------

3. How satisfied were you with how well the health care team met the family’s needs while their loved one was in the ICU? *(Circle one number)*

Not satisfied at all	0	1	2	3	4	5	6	7	8	9	10	Very satisfied
----------------------	---	---	---	---	---	---	---	---	---	---	----	----------------
