

**International Student Orientation Fee Waiver Petition
for
External Doctor of Pharmacy (ExPharmD) Program Students**

The University of Washington provides an orientation program each quarter for international students who are new to the university. Please keep in mind that while the International Student Orientation is not mandatory, you will be billed for a \$65 orientation fee in association with your first course registration, regardless of whether or not you participate.

As the ExPharmD Program is delivered through distance learning methods, international ExPharmD students are not required to be in residence at the UW while working on their degrees. As mentioned above, the International Student Orientation is not mandatory. **However, if you do not plan to attend the orientation and wish to avoid the \$65 orientation fee you will need to complete this form and return it IMMEDIATELY after registering for your FIRST course to:**

International Services Office (Att'n: Claudia Calisch)
University of Washington
1400 NE Campus Parkway
459B Schmitz Hall, Box 355832
Seattle WA 98195-5832

or

FAX: 206-685-3541 (Att'n: Claudia Calisch)

Please waive/cancel the International Student Orientation Fee against my account as I will not be able to attend the orientation nor will I be in residence at the UW while completing my degree in the ExPharmD Program.
