

## Themes Used for ExPharmD Clerkships (APPEs)

Academic Detailing Program	Drug Information and Formulary Management
Acute and Transitional Geriatric Pharmaceutical Care	Drug Information and Patient Education
Administration and Drug Information	Drug Information Service
Adult Internal Medicine Pharmacotherapy	Drug Information/Poison Control
Advanced Chemical Dependency	Drug Interaction Review
Advanced Geriatric Pharmacotherapy	Drug Safety and Adverse Drug Reactions
Adverse Drug Reaction Protocol Development and Tracking	Drug Use Evaluation
Adverse Drug Reaction Reporting System Design	Emergency Contraception Pharmacotherapy
Alcohol and Substance Abuse Counseling	Emergency Medicine
Ambulatory Pharmacy Care	Emergency Response Plan Development
Anticoagulation Pharmacotherapy	Endocrine Pharmacotherapy
Asthma Pharmacotherapy	Evaluation of Pharmacy Service
Cardiovascular & Pulmonary Pharmacotherapy	Evidence-based Pharmacotherapeutics and Outcomes Monitoring
Cardiovascular Pharmacotherapy	Family Practice Pharmacotherapy
Chinese/Oriental Medicine	Gastrointestinal Disorders Pharmacotherapy
Chronic Critical Care Pharmacotherapy	General Ambulatory Care Pharmacotherapy
Chronic Pain Management Pharmacotherapy	General Internal Medicine
Clinical Nuclear Medicine	General Medicine and Surgical Pharmacotherapy
Clinical Pain Management	General Pediatric Medical and Surgical Pharmacotherapy
Clinical Pharmacokinetics	General Surgical Pharmacotherapy
Clinical Pharmacy Manager	Geriatric & Long Term Care Pharmacotherapy
Community Pharmacotherapy Education Program Design	Geriatric Pharmacotherapy
Community Pharmacy Disease Screening and Education	Geropsychiatric Pharmacotherapy
Complementary, Alternative, and OTC Pharmacotherapy	Health Benefits Management
Complementary/Alternative Medicine	Health Care Informatics
Complementary/Alternative Medicine Telephone Clinic	Heart Failure Pharmacotherapy
Compounded Pharmacotherapy	Hemophilia Pharmacotherapy
Contraceptive Pharmacotherapy	Humanitarian Health Care Program Implementation
Critical Care Pharmacotherapy	Hyperlipidemia Pharmacotherapy
Design of New Pharmacy Service	Hypertension Medication Management
Development of a New Collaborative Therapy Agreement	Immunization Assessment and Administration
Development of a Publishable Pharmacotherapy Manuscript	Implementation of New Pharmacy Service
Development of Pharmacy Medication Dosing Protocol	Infectious Disease Pharmacotherapy
Diabetes Medication Management	Intensive Care Pharmacotherapy
Diabetes Pharmacotherapy	Internal Medicine Pharmacotherapy
Diabetic Peripheral Neuropathy Management	International Health Care Policy and Program Development
Disease State Screening and Education	International HIV/AIDS Pharmacotherapy Education
Drug and Poison Information	International Pharmacy Practice
Drug Formulary and Policy Development	Investigational Drug Service

Medical Informatics Innovation Evaluation  
Medical Informatics Innovation Implementation  
Medical Rehabilitation  
Medical Writing  
Medication Compliance Improvement Program  
Medication Error Program Design  
Medication Error Program Implementation  
Medication Error Reporting System Design  
Medication Management Clinic  
Medication Management Project Design and Implementation  
Medication Protocol Development  
Medication Reconciliation  
Medication Safety Program Design  
Medication Therapy Management Program Development  
Medication Use Evaluation  
Medication Use Management  
Neonatal Abstinence Pharmacotherapy  
Neonatal and Pediatric Pharmacotherapy  
Neonatal ICU Pharmacotherapy  
Neonatal Pharmacotherapy  
Neurologic Pharmacotherapy  
Neuropsychiatric Pharmacotherapy  
Nutritional Pharmacotherapy  
Obstetrical Pharmacotherapy  
Obstetrics & Gynecology Pharmacotherapy  
Obstetrics Pharmacotherapy  
Oncology Medication Safety Program Design  
Oncology Pharmacotherapy  
Pain Control Pharmacotherapy  
Palliative Care Pharmacotherapy  
Patient Medication Education  
Pediatric Bone Marrow Transplant Pharmacotherapy  
Pediatric Critical Care Pharmacotherapy  
Pediatric General Internal Medicine Pharmacotherapy  
Pediatric Hematology and Oncology Pharmacotherapy  
Pediatric Oncology Pharmacotherapy  
Pediatric Pharmacotherapy  
Pediatric Surgery Pharmacotherapy  
Pharmaceutical Care Analysis  
Pharmaceutical Compounding  
Pharmaceutical Industry  
Pharmaceutical Outcomes Analysis  
Pharmaceutical Quality Assurance  
Pharmaceutical Regulation  
Pharmacoeconomic Evaluation  
Pharmacy Administration

Pharmacy Anticoagulation Clinic Design  
Pharmacy Anticoagulation Clinic Implementation  
Pharmacy Association Organization and Activities  
Pharmacy Benefit Design  
Pharmacy Compounding  
Pharmacy Editing & Publishing  
Pharmacy Education  
Pharmacy Experiential Education Design and Implementation  
Pharmacy Industry Outcomes Analysis  
Pharmacy Informatics  
Pharmacy Management  
Pharmacy Management: Inventory Control  
Pharmacy Management: Workflow Analysis and Redesign  
Pharmacy Policy and Procedure Development  
Pharmacy Policy Research and Development  
Pharmacy Professional Organization Administration  
Prescription Compounding  
Prescriptive Authority Protocol Development and Implementation  
Professional Pharmacy Organization  
Psychiatric Pharmacotherapy  
Pulmonary Pharmacotherapy  
Radiopharmacotherapy  
Refill Prescriptive Authority  
Rehabilitation Pharmacotherapy  
Renal Disease Pharmacotherapy  
Smoking Cessation Pharmacotherapy  
Strategic Planning Recommendation Development for Health Insurance Company  
Substance Abuse Pharmacotherapy  
Surgical Pharmacotherapy  
Toxicology/Poison Information  
Transplant Pharmacotherapy  
Urgent Care/Emergency Pharmacotherapy  
Veterinary Pharmacy  
Women's Health Pharmacotherapy
