FAS Facial Photographic Analysis Software (www.fasdpn.org)

How to Take the Three Photographs

Take these 3 photos following the directions below.

Standardized Photo Set

Photo 1 (Front View)

Photo 2 (Angle View) Photo 3 (Side View)

Facial Expression

- Place $\frac{3}{4}$ " sticker on forehead between eyebrows.
- Eyes wide open
- No glasses
- NO SMILE
- Lips gently closed
- In Photo 1, have child look straight at you. You should be able to see both ears equally.

No Smile

Camera Position

The camera should be directly in front of the face.
An imaginary line drawn between the two ear canals should fall just below the eyes.

Take a close-up picture of just the head, not the whole body.

Yes

No
