

WEBSITE TABLE OF CONTENTS

Washington State Fetal Alcohol Syndrome Diagnostic & Prevention Network (FAS DPN)

HOME PAGE

1. TABLE OF CONTENTS

2. FAS DPN

- A. What is the Washington State FAS DPN?
- B. The University of Washington FAS DPN interdisciplinary diagnostic team.
- C. FAS DPN overview booklet.

3. SCREENING

- A. FAS screening in foster care.
- B. FAS Facial Photographic Analysis Software.
- C. FAS DPN image analysis laboratory.

4. DIAGNOSIS

- A. FASD 4-Digit Diagnostic Code.
 - i. Diagnostic Guide for FASD: The 4-Digit Diagnostic Code (2004).
 - ii. Free PDF of Guide.

- B. What are FASD, FAS, Partial FAS, and ARND?

- C. FAS Facial Features.
 - i. Photographic images.

- D. 4-Digit Code FASD Diagnostic Outcomes by Region.
 - i. Washington State: FASD diagnostic profile of first 1,500 patients.

- E. Diagnostic Tools.
 - i. Diagnostic Guide for FASD: The 4-Digit Diagnostic Code (2004).
 - ii. Lip-Philtrum Guides (2004).
 - 1. How to use Lip-Philtrum Guide.
 - 2. Impact of smile on lip and philtrum.
 - iii. Palpebral fissure length ruler.
 - iv. FAS Facial Photographic Analysis Software (2003).
 - 1. Brief description.

- 2. Preview of Software Manual.
 - 3. Software accuracy: Measuring the palpebral fissure length.
 - 4. Computer and camera specifications.
 - 5. How to take the facial photographs.
 - a. 1-page instruction sheet.
 - b. Computer animations illustrating facial measurement and how to take photographs.
 - 6. Technical support.
 - v. FASD 4-Digit Code Diagnostic Forms (2004).
 - 1. FASD Diagnostic Form (hard copy and electronic form).
 - 2. New Patient Information Form (hard copy and electronic form).
 - 3. Sample Medical Summary Form (hard copy).
 - vi. 4-Digit Code Microsoft ACCESS Database Template (2004).
 - vii. Growth Charts.
 - 1. CDC U.S. growth charts (2000).
 - 2. CDC EPI Info Software (free): calculates U.S. growth percentiles.
 - 3. Parent Specific Adjustments for Evaluation of Length and Stature.
 - 4. International growth charts.
 - viii. FAS Tutor™ CD-ROM (1999).
 - 1. FASD diagnostic instruction for professionals through video, computer animation, and photographic examples.
 - a. Photographic example of measuring palpebral fissure length.
 - b. Photographic example of using the Lip-Philtrum Guide.
 - c. Computer animation of proper camera alignment for facial photo.
 - d. Computer animation of measuring palpebral fissure length.
- F. Clinic Locations (FASD Interdisciplinary Diagnostic Clinics using 4-Digit Code).**
- i. Washington State.
 - ii. Nationwide.
- G. Appointments**
- i. How to request an FASD diagnostic evaluation at the Washington State FAS Diagnostic & Prevention Network of clinics.
- H. Your Clinic Visit: University of Washington FAS DPN.**
- i. What is FASD?
 - ii. Who does the FAS DPN Clinic serve?
 - iii. What happens during an evaluation at the FAS DPN Clinic?
 - iv. How to make an appointment with the FAS DPN Clinic.
 - v. Location of Clinic.
 - vi. Cost.
 - vii. Family satisfaction with the FAS DPN clinic.
