Dear Megan, David, Margo, Jenny, RV Cent  
RV Centennial, Captain, crew, and divers.

Thank you so much for all you have  
done for us this year. I have really  
enjoyed the clam dig and boat trip.  
Some of my favorite parts were the safety  
talk when going diving. I also enjoyed  
when we could talk to the divers when they were  
at the bottom of the sea. Another amazing  
adventure was the clam dig. It was  
amazingly fun. I really enjoyed this year  
of learning about sea life!

Sincerely,
