

June 2 2011

Dear Rich + Ross,

Ross, you helped
me with hand signals

It was fun when
we all saw you go
in the water. It was
also fun talking to you
about cod fish, star
fish and sea cucumbers

Thank you for diving for us.

I would like to be a

diver someday. Thank you

for bring up some

Sea creatures up from the dive.

"your friend,"

Jordan
