All Lawn Signs must be approved through the Use of University Facilities Committee by completing and turning in the form located here: http://depts.washington.edu/eventfrm/

Please allow two weeks prior to sign placement for approval processing.

Lawn Signs may only be placed on campus during assigned times and at approved locations but not for more than 2 weeks.

Lawn Signs may not be placed in locations that will impact pedestrian traffic or vehicle visibility. There must be 5’ of clearance around any sign in an open paved area.

Lawn Signs should be placed in mulched areas to avoid being removed for facilities operations such as mowing and line trimming.

Lawn Signs may not be chained or cable locked to University property (trees, bollards, street signs or lamp posts etc.)

Lawn Signs may only be used to promote an established University program or University sponsored function.

Approval to place Lawn Signs on campus can be revoked.

Maximum 10 boards. Additional may be allowed under “special circumstances.”
