RE: Interim Report from the Astrobiology Graduate Certificate Program (2017-2018)

The Graduate School Council discussed this interim report at the March 1, 2018 meeting. The Council thanks the Astrobiology Graduate Certificate Program for responding to the request for an interim report. Additionally, the Council commends the faculty and staff for the work they have invested in addressing the challenges outlined in the 2010-2011 review.

The next review of the Astrobiology Graduate Certificate Program is scheduled for the 2020-2021 academic year.
