

HAN Publication Guidelines

Any acknowledgement or citation for the Healthy Aging Research Network (HAN) should include the following:

- This [e.g. publication, research] was supported in part by cooperative agreements from the CDC's Prevention Research Centers Program (PRC) Healthy Aging Research Network (HAN) (U48-DP-000050, 000051, 000052, 000053, 000054, 000055, 000056, 000057, and 000058). The PRC HAN is supported by the Healthy Aging Program at CDC. The contents of this document are solely the responsibility of the authors and do not necessarily represent the official views of the CDC.
- If HAN is mentioned in a publication, please send a copy to Gwen Moni, Research Coordinator, gmoni@u.washington.edu, or 1107 NE 45th Street, Suite 200, Seattle, WA 98105.
