

2019 HCSATS EDUCATION FORUM

Save the Dates!

These FREE trainings are offered by the Harborview Center for Sexual Assault and Traumatic Stress. Designed for social service & mental health providers, topics are related to abuse, violence, trauma, treatment, cultural competency and prevention. For OCVA-funded programs, these trainings satisfy the requirements for sexual assault and/or crime victims training. A general training certificate will be provided. We do not accept RSVPs, and space is offered on a first come, first served basis. (It is rare that these trainings reach full capacity)
