Other Hotels Near WSCJTC

The WSCJTC and SeaTac Airport are approximately 15 miles from downtown Seattle and the city center. Many major hotel chains have a hotel in the area close to **SeaTac Airport** and within a few miles of the WSCJTC. Some of these are more upscale than the 7 discounted hotels listed on the first page. These other hotels **may** offer government rate rooms (currently \$137 plus tax) on a space-available basis to employees of government agencies, but do not currently offer special rates for WSCJTC training events. Reduced rates may be available on one of the travel search websites such as expedia.com, hotels.com, orbitz.com or kayak.com.

A recommended hotel which recently had good rates listed on <http://www.hotels.com> is listed below. (Please note, these rates can change quickly and are usually non-refundable.)
