General Rules:

Clinical Fellows – Discuss a case and the associated topic. Feel free to invite an expert or an attending who was involved in the case.

Research Fellows – Discuss a general hematology topic unrelated to your field of study. You will need to identify a faculty expert to help you cover the topic.

Everyone should run things by Bob 1 to 2 weeks ahead of time! 206 277 1625 or rrichard@uw.edu
