RESIDENT ADVISER & COMMUNITY ASSISTANT

POSITION SUMMARY
Under the direct supervision of a professional staff member, Resident Advisers (RA) and Community Assistants (CA) are live-in positions within the University of Washington (UW) residential communities. Residential Life is committed to ensuring that all Student Leaders are provided ample resources, support, and training to practice self-care to support the well-being of our Student Leaders. This includes dedicated sessions during Autumn Training, year-round in-service training, providing independent resources, and offering ongoing support as needed.

ACCOUNTABILITY & PERFORMANCE MANAGEMENT

Successful performance is a shared responsibility between an individual and their supervisor. It’s the individual’s responsibility to meet the stated position expectations, and it is the supervisor’s responsibility to create an environment in which this can occur. Successful performance management involves clear expectations, early intervention, identification of specific behaviors, consistent documentation of performance, regular consultation, positive reinforcement, and follow-up.

DOCUMENTATION

Student Leaders can expect to be informed when they are not meeting expectations. In some cases when expectations are not met, Student Leaders may be formally documented in a Performance Note, a copy of which is shared with the Student Leader. Student Leaders will receive a holistic review of their performance semi-annually in the form of a Performance Evaluation. Evaluations are conducted at the end of every Autumn and Spring quarter.

RESIGNATION

Student Leaders who would like to resign their position should provide the supervisor with a letter of resignation. Depending on the nature of the resignation, a date for vacate may or may not be negotiated. In general, a student leader member has 5-7 days to vacate after their last working date.

DISMISSAL

If a Student Leader has numerous instances of not meeting expectations and performance has not improved or if a behavior is particularly severe/impactful, it may be recommended that the Student Leader be dismissed from their role. If the recommendation for dismissal is approved, supervisors will email the Student Letter to inform them of the dismissal.

APPEALS

Once written notification of dismissal is received by the student leader, the student may appeal in writing within three business days to the Director of Residential Life. The appeal is expected to include context for the situation being appealed and a rationale for why the Student Leader disagrees with the decision. The Director of Residential Life and/or the Director’s designee shall review the appeal. The appeal will not delay the implementation of the dismissal, and the action dates provided in the letter will still apply. This includes the date of the termination of the position agreement, and the date of vacating the assigned room.

HOUSING AGREEMENT / CODE OF CONDUCT VIOLATIONS

At times concerning behavior may also constitute a violation of the HFS Housing Agreement or UW Student Conduct Code. When this is the case, an Incident Report will be filed and if found responsible, the student leader may be assigned sanctions consistent with the Residential Life or UW Student Conduct Process Cases and independent of any applicable position corrective action. Given the unique role of student leaders, an interim decision regarding the Student Leader position, including dismissal may be made before the conclusion of a Formal Hearing.
IN-KIND COMPENSATION

RA/CA in-kind compensation is applied directly to housing and dining expenses. Specific details about compensation timelines and amounts are included below. In-Kind compensation for all position types is applied on a quarterly basis. Earned dining account and laundry account balances carry beyond the end of the RA/CA position. Dining balances carry through the duration of an individual’s time as a University of Washington student. Laundry balances carry through the duration of an individual’s time as a Housing & Food Service’s resident.

IN-KIND COMPENSATION DETAILS

Student Leaders are given In-Kind Compensation in the form of room, laundry, and a dining plan in exchange for completing the roles and responsibilities stated in the agreement. This role is not considered an employed position by the University.

ROOM

The RA/CA position is compensated at a rate equal to the cost of their assigned room. RAs are provided a single or double room or a room within an apartment and are not assigned a roommate. Mercer D/E CAs are provided a studio apartment within the community.

At the conclusion of their position, RA/CAs will be financially responsible for any unauthorized alterations, damages or cleaning costs related to their room.

DINING

The RA/CA role is compensated at a rate equal to $19.63 per academic quarter day on their Dining Account for the 2022-23 academic year. RAs/CAs also receive dining funds for Autumn Training.

LAUNDRY

OTHER COMPENSATION

RA/CAs receives additional compensation (via stipend or HFS declining balance card, as decided by the individual RA/CA) for providing on-call coverage during break periods. If a Student Leader desires to receive break on-call compensation as a stipend, this will be paid via monetary payment through Payroll, and they will be required to complete the I-9 verification process. Their citizenship status must be US Citizen, Foreign National Authorized to Work, or A Lawful Permanent Resident. If an RA/CA has chosen to be paid via a Declining Balance Card, they will not be required to complete the I-9 process.

EARLY DEPARTURE FROM ROLE

If for any reason the position ends or is terminated before the end of an academic quarter, the RA/CA is responsible for returning the unspent balance on their Dining Account, minus the daily prorated amount for days worked. The RA/CA is responsible for reimbursing HFS for any amount spent on their Dining Account above the prorated amount based upon the last day in their position. These details will be calculated centrally and be communicated directly to the departing RA/CA by their supervisor. The reimbursement amount will be added as a charge on the RA/CA’s housing account.
RA/CAs who leave their position before their agreement end-date must officially check out of their room within 72 hours of the conclusion of their position. If continued campus housing is desired after ending the position, the supervisor will work collaboratively with the departing RA/CA to secure appropriate on campus housing. All RA/CAs are financially responsible for all housing costs incurred after the position has concluded.

TAX IMPLICATIONS
The housing, dining, and laundry in-kind compensation for an RA/CA position is not considered taxable income as it meets the Meals and Lodging conditions of IRS Publication 525: Taxable and Nontaxable Income to exclude it from reportable income. However, any stipend payments received for break period on-call coverage are reportable income and will be reflected on a 1098-T and/or W-2 or 1099. The appropriate person to contact with questions is Katrina Nelson, Residential Life Operations Specialist (katnels@uw.edu).

FINANCIAL AID REPORTING
Housing & Food Services reports the value of in-kind compensation provided for Student Leader positions to the Office of Student Financial Aid. Financial aid is very individualized and varies from one student to the next. The potential impact of this reporting on financial aid package should be discussed with the Office of Student Financial Aid. The appropriate person to contact with questions is James Flowers, Associate Director of the Office of Student Financial Aid (jflowers@uw.edu).

ACCOMMODATIONS
In the event a student leader is unable to meet expectations because of a disability; whether temporary or permanent and an accommodation is needed, a student leader should communicate with their supervisor. The supervisor may direct the individual to an appropriate University resource to effectively assess the accommodation request and provide recommendations. Student Leaders will never be asked about nor compelled to share confidential medical information.

By signing, I agree that I have read, understand, and agree to abide by all the expectations outlined in this agreement and that if anything was unclear, I have had the chance to reach out with questions:
