2020 INSIGHT Application Questions

Please answer the following questions

Note: there is a character limit of 1200 characters for each question (roughly 200 words).

1) Tell us how the INSIGHT Program aligns with, or contributes to your career goals

2) Briefly describe any prior experience conducting and participating in research
   - Prior research experience is helpful, but not a requirement for our program. If you have no prior research experience, please describe your other academic or healthcare experiences that would help prepare you for the INSIGHT Program.

3) Discuss an accomplishment, event, or realization that sparked a period of personal growth and a new understanding of yourself or others
