

ANNOUNCEMENTS

Pediatric Injury Research Training Program Opportunity

The Harborview Injury Prevention & Research Center and the University of Washington are offering post-doctoral training in Pediatric Injury Research, with positions available for summer/fall, 2015. This training program is funded through a US National Institute of Child Health and Human Development (NIH) T-32 grant.

Post-doctoral level scholars are welcome from all health professions, and specialties within those professions including pediatrics, surgery, dentistry, urology, rehabilitation medicine, emergency medicine, anesthesia/critical care, psychiatry, psychology, epidemiology, health services, public health, social work, nursing and health economics.

Interested individuals should contact the T-32 Program Director, Dr. Fred Rivara (fpr@uw.edu) at (206) 744-9449, or T-32 Program Co-Director Dr. Monica S. Vavilala (vavilala@uw.edu) at (206)-744-3210.

Direct Access to HIPRC Methods Core Services

Do you have a question for the Methods Core? Aren't sure what to make of the latest published results, or thinking about your own research project? You can now access the HIPRC Methods Core directly by email at hiprcore@uw.edu. Send us your questions, or schedule a time to meet and talk in person. If you have questions about data collection, management, or analysis plans for your study, you can also fill out the [Methods Core Project Inquiry Form](#).

Fall Quarter Drop-in Hours with Brianna (Room #4072):

Monday and Wednesday, 9-11 AM

Tuesday and Thursday, 2-5 PM

New Biosketch Requirements

Per NOT-OD-15-024 released 11/26/2014: <http://grants.nih.gov/grants/guide/notice-files/NOT-OD-15-024.html>

Please note that the NIH and AHRQ will require the new biosketch format for ALL applications submitted for due dates **on or after January 25th, 2015**. The revised forms and instructions are now available on the [SF 424 \(R&R\) Forms and Applications](#) page.

HIPRC Holiday Party

The holiday party will be held on Wednesday, December 17th from 12-1PM in the conference room. Please join us for pizza, salad, and drinks. Bring a dessert to share (if you wish). **RSVP** to hiprc@uw.edu.

HMC Winter Auction Basket

HIPRC is participating in the HMC Winter Auction, a fundraising effort to aid patients and families. The basket will be auctioned on December 16th and the proceeds used to provide necessities and comforts to hospital patients and their families such as holiday meals, stuffed animals, and blankets.

We are welcoming suggestions for items to include in the basket keeping to the Injury Prevention theme! **HIPRC will be purchasing the basket items**, but anyone is welcome to contribute items if they choose to donate. You can respond to hiprc@uw.edu or write them on the flyer on the HIPRC bulletin board. **If you plan to contribute items**, bring them in by **Friday, December 12th**.

Staff Meeting, Faculty Meetings, and Journal Club Times

There will be a **staff meeting** on Monday, December 15th at 1PM.

Effective January 1st, 2015:

All faculty meetings will be held from 1-2PM on the first Wednesday of every month.

All Journal Clubs will be held on Fridays from 1-2PM.

All WIPs will remain on the same schedule, Wednesdays from 1-2PM.

Request for Faculty Mentors for Summer Students 2015

During Summer 2014, we had 13 students of varying educational and experiential levels who helped contribute to a [variety of ongoing projects](#) at HIPRC. We are currently accepting student applications for Summer 2015, and have already received several applications. If you know of any students who might be appropriate for the program, please direct them to our [website](#) for more details and to fill out the [application](#).

If you would like to serve as a mentor, please send the following information no later than **Sunday, February 1st, 2015** to harriet2@uw.edu:

PI:
Project Title:
Project Work:
Summer Dates (if specific):
Paid or Unpaid:
Student Level (high school, undergraduate, graduate):
Specific Skills (if required):
Are you willing to have them observe with you in the clinical/hospital setting? (if applicable):

ANNOUNCEMENTS

HIPRC Partners to Hold Event Promoting Safe Storage of Guns

HIPRC will be partnering with Seattle Children's Hospital (SCH), Safe Kids Seattle, Harborview Medical Center (HMC), & Public Health – Seattle & King County (PHSKC) to hold an event on Saturday, December 13th, promoting safe storage of guns. Participants will learn about the importance of safe gun storage, especially for homes with children and teens, and receive hands-on training on how to use a lock box and trigger lock.

Pediatric Injury Research Training Program Opportunity

The Harborview Injury Prevention & Research Center and the University of Washington are offering post-doctoral training in Pediatric Injury Research, with positions available for summer/fall, 2015. This training program is funded through a US National Institute of Child Health and Human Development (NIH) T-32 grant.

Post-doctoral level scholars are welcome from all health professions, and specialties within those professions including pediatrics, surgery, dentistry, urology, rehabilitation medicine, emergency medicine, anesthesia/critical care, psychiatry, psychology, epidemiology, health services, public health, social work, nursing and health economics.

Interested individuals should contact the T-32 Program Director, Dr. Fred Rivara (fpr@uw.edu) at (206) 744-9449, or T-32 Program Co-Director Dr. Monica S. Vavilala (vavilala@uw.edu) at (206)-744-3210.

ANNOUNCEMENTS

Safe Gun Storage Event

HIPRC helped hold an event on Saturday, December 13th, promoting safe storage of guns. People waited in line up to 4 hours to receive one of the 300+ lock boxes/trigger locks that were handed out at the event. **For photos, see pg.3.**

HIPRC is on Twitter!

HIPRC has starting tweeting on injury-related news and events. Follow us! <https://twitter.com/HIPRC>

HIPRC Auction Basket

The HIPRC auction basket, put together by [Sarah Brolliar](#) (MPH Health Services student), had a bike safety theme and included a bike helmet, bell, reflective vest, front and rear lights, and rear view mirror. It raised \$100 towards providing necessities and comforts to hospital patients and their families such as holiday meals, stuffed animals, and blankets. Overall, the auction raised \$12,975, which broke last year's record!

WHO Global Report on Drowning: Preventing a Leading Killer

The World Health Organization (WHO) recently issued its first-ever global report focused exclusively on drowning. Drowning is one of the top 10 leading causes of death for children and young people in every region of the world. WHO points out the need for better data, but also that drowning is highly preventable and solutions are relatively simple and inexpensive.
