

HIPRC INSIGHT High School Application Essay Questions

We suggest you type out your answers before beginning the application. This allows you to prepare thoughtful and well-written short essays.

Please tell us why you're interested in the INSIGHT Research Program.

Public health aims to improve the quality of life through the prevention of diseases, injuries, and other health conditions and through the promotion of healthy behaviors, communities, and environments. Which parts of this description are most interesting to you and why?

Please describe any current or prior work and/or volunteer experience.

Be sure to include in your answer the duration and location where you have worked/volunteered. If you have no work or volunteer experience, you can use this space to describe what other supporting academic experiences you have had that would help prepare you for the INSIGHT Program.
