

Information Resources for PEER-REVIEWED JOURNALS

Peer-reviewed journals (also called refereed publications) are scholarly works that typically represent the latest original research in the field, research that has been generally accepted by academic and professional peers for dissemination and discussion.

Special thanks to the individuals and organizations who have contributed these materials to the library.

JOURNALS

Full text e-journals on this list are available through UW Libraries:

www.lib.washington.edu

Agricultural Water Management

E-journal (no print copy): 1995 to present

Agriculture, Ecosystems & Environment

UW Libraries print holdings: 1983 to 2002

E-journal also available: 1983 to present

American Fern Journal

Miller Library print holdings: 1954 to present (incomplete)

UW Libraries print holdings: 1910 to present

E-journal also available: 1910 to present

American Journal of Botany

UW Libraries print holdings: 1914 to present

E-journal also available: 1914 to present

Annals of Botany

UW Libraries print holdings: 1887 to 1936; new serial: 1937 to 2003

E-journal also available: 1993 to present

Applied Soil Ecology: A Section of Agriculture, Ecosystems & Environment

UW Libraries print holdings: 1994 to 2002; incomplete

E-journal also available: 3/1995 to present

Arboricultural Journal

Miller Library print holdings: 1987, Vol. 11 through 2009

UW Libraries print holdings: 1982 to present; incomplete

No E-journal available

Arboriculture and Urban Forestry

Miller Library print holdings: 1975 to present, previously Journal of Arboriculture (through 2005)

UW Libraries print holdings: 1975 to present
E-journal also available: 1975 to 2005 under previous title; 2006 to present under current title

Canadian Journal of Botany

UW Libraries print holdings: v.29-v.85

E-journal also available: 1998 to 2007

Ecological Restoration

Miller Library print holdings: 1999 to present

UW Libraries print holdings: 2000-2009

E-journal also available: 1999 to present

Environmental and Experimental Botany

UW Libraries print holdings: 1900 to 2003

E-journal also available: 1976 to present

HortScience

Miller Library print holdings: 1966 to present

UW Libraries print holdings: 1966 to 2009

No E-journal available

HortTechnology

Miller Library print holdings: 1991 to present

No E-journal available

Journal of Environmental Horticulture
Miller Library print holdings: 1983 to present
UW Libraries print holdings: 1983 to present
E-journal also available: 1983-2009

Journal of Experimental Botany
UW Libraries print holdings: 1950 to 2003
E-journal also available: 1996 to present

Journal of the American Society for Horticultural Science
Miller Library print holdings: 1985 to present (incomplete)
UW Libraries print holdings: 1969 to present.
No E-journal available

Landscape and Urban Planning
UW Libraries print holdings: 1986 to 2002
E-journal also available: 1986- to present

Native Plants Journal
Miller Library print holdings: 2001 to present
E-journal also available: April 1, 2000 to present

Restoration Ecology
UW Libraries print holdings: 1993 to 2009
E-journal also available: 1997 to present

Scientia Horticulturae
UW Libraries print holdings: v.1 (1973) to v.46; v. 49 to v. 92 (2002)
E-journal also available: 1973 to present

Soil Science Society of America Journal
UW Libraries print holdings: 1976 to present
E-journal also available: 1921 to present

Systematic Botany
UW Libraries print holdings: 1976 to present
E-journal also available: 1976 to present

Systematics and Biodiversity
Miller Library print holdings: June 2004 through 2009
UW Libraries print holdings: 2003 to 2004
E-journal also available: 2003 to present

Tree Physiology
UW Libraries print holdings: 1986 to 2009
E-journal also available: 1986 to present

Urban Ecosystems
UW Libraries print holdings: 1997 to 2001; incomplete
E-journal also available: 1997 to present

Urban Forestry and Urban Greening
Miller Library print holdings: 2002 to present
E-journal also available: 2002 to present

INDEXES AND DATABASES

UW Libraries list of research databases (Includes Agricola, BioOne, Biosis, CAB Abstracts, Environmental Sciences and Pollution Management, Expanded Academic Index, JSTOR Plant Science, ScienceDirect)
<http://www.lib.washington.edu/types/databases/>

Ebsco Garden, Landscape & Horticulture Index Available in Miller Library only
Search can be limited to “Scholarly (Peer-Reviewed) Journals” by checking a box. To find out which journals are indexed here, click on “Indexes” at upper left corner of the page, and “browse an index” by “publication name” from the pull-down menu.

Ulrich's Periodicals Directory
<http://www.ulrichsweb.com/ulrichsweb/>
Use the subject headings to find journals in your area of research, or search title, or author. If a journal is peer-reviewed (refereed), you will see a symbol beside its title.
