

Peer Reviewed Journal Holdings
Elisabeth C. Miller Library - University of Washington Botanic Gardens
Presented for ESRM 480 – Landscape Plant Science and Sustainable Management
October 3, 2008

- Agriculture, Ecosystems & Environment
E-journal available (no print copy); fully searchable (keyword, author, title, etc.)
E-holdings: 1995 to present
- American Fern Journal
(Quarterly) Print holdings: 1954 to present (incomplete); indexed in Science Citation Index and in Current Contents (UW Libraries database)
E-journal also available, 2001 – present; fully searchable
- American Journal of Botany
E-journal available (no print copy) from 1914 to present
Searchable via keyword, author, year/volume/page
- Annals of Botany
E-journal available (no print copy)
Fully searchable (keyword, author, title, etc.)
January 1993 to present
- Applied Soil Ecology: A Section of Agriculture, Ecosystems & Environment
E-journal available (no print copy); fully searchable (keyword, author, title, etc.)
E-holdings: 3/1995 to present
- Arbicultural Journal
(Quarterly) Print holdings: 1987, Vol. 11 to present; indexed in Agricola (UW database)
No E-journal
- Arbiculture and Urban Forestry
(6x/year) Print holdings: 1975 to present, previously Journal of Arbiculture (through 2005); indexed in Agricola (UW database)
E-journal also available; searchable electronically
E-holdings: 1999 – 2003
- Canadian Journal of Botany
E-journal available (no print copy)
Fully searchable (keyword, title, author, etc.)
E-holdings: Jan. 1998 to present
- Ecological Restoration
(Quarterly) Print holdings: 1986 to present; indexed in Garden, Landscape and Horticulture Literature Index (Miller Library database)
E-journal also available, 2002 to present; searchable electronically
- Environmental and Experimental Botany
E-journal available (no print copy); keyword searchable
E-holdings: Jan. 1995 to present
- HortScience
(6x/year) Print holdings: 1966 to present; indexed in Agricola and in Science Citation Index (UW databases)
No E-journal available

- HortTechnology
(*Quarterly; sometimes 3x per year*) **Print holdings: 1991 to present**; indexed in Agricola and in Science Citation Index (UW databases)
No E-journal available
- Journal of American Society for Horticultural Sciences
(*6x/year*) **Print holdings: 1985 – present**; a few issues missing, but also available at Natural Sciences Library, 1969 – present.
No E-journal available
- Journal of Environmental Horticulture
(*Quarterly*) **Print holdings: 1983 to present**; indexed in Agricola (UW database)
No E-journal available
- Journal of Experimental Botany
E-journal available (no print copy)
Fully searchable electronically via keyword, author, title, etc.
E-holdings: 1997 to present
- Native Plants Journal
(*3x/year*) **Print holdings: 2001 to present**; indexed in Agricola (UW database)
E-journal also available, Spring 2004 to present; searchable electronically
- Systematic Botany
E-journal available (no print copy)
Basic and advanced searching available electronically
E-holdings: 1976 to present
- Systematics and Biodiversity
(*Quarterly*) **Print holdings June 2004 to present**; not indexed, but keywords are provided below abstracts
E-journal also available 2003 to present; no electronic searching of text available
- Urban Forestry and Urban Greening
(*3x/year*) **Print holdings: 2002 to present**; indexed in Agricola (UW database) and Garden, Landscape and Horticulture Literature Index (Miller Library database)

Other Journals available electronically, full-text through University Libraries
(www.lib.washington.edu)

Agricultural Water Management (1995 – present)
