

Group 4 Health & Safety Committee

We would like to introduce you to the Group 4 Health & Safety Committee's website. This website will contain the roster of committee members, postings of the monthly meeting minutes, and other health & safety related information.

Please share this website with your employees, so that they have access to the same information that you do. We will be adding a link for employees to ask questions and/or report general safety concerns. All critical safety issues should be reported immediately to a supervisor, or if it is workplace violence related — to UWPD (911).

thank you,

Stephanie K. Steppe, chair
