Participants should be aware that there is a risk of injury in participation of intramural sports due to the inherent nature of the activities. The Department of Recreational Sports Programs strongly recommends that all participants have a physical examination and secure adequate medical insurance prior to participation in Recreational Sports programs. It should be understood that individuals participate in Recreational Sports activities at their own risk.

**Changes of the roster must be made prior to the second game of the regular season.** Questions about eligibility should be referred to the "Intramural Sports Handbook" or the Intramural Staff, at 543-8558. Be sure to read the information bulletin and Intramural rules governing this sport.

By signing below, I understand the Intramural eligibility rules and have completely checked the eligibility of all the players on my team. If there is any discrepancy I will assume full responsibility. Failure to comply with these rules will result in team/individual sanctions as outlined in the "Intramural Sports Handbook."
