

# SQUASH CLUB

UNIVERSITY OF WASHINGTON, DEPARTMENT OF RECREATIONAL SPORTS PROGRAMS

Forbes Magazine (October 2003) rated Squash as the #1 healthiest sport in the world! If you play squash, you know why. If you've never played, then it's time you tried it! Since it began in 2003, the Squash Club at UW has had over 150 people who have played in over 1,000 matches in the club's monthly squash leagues! The Club offers a variety of activities, whether for the complete beginner who's never heard of the game or for the highly competitive player.

## CLUB ACTIVITIES

- Monthly box-ladder leagues, grouping players of similar skill.
- Regular skills workshops, coached by top local instructors.
- E-mail list for exchanging squash-related information.
- Participation in the local SSRA league.
- Development and support of an undergraduate team for intercollegiate competition.
