HOW THEY FLEECE THE PUBLIC IS DEMONSTRATED AT CAPITAL

Falsified Profits Statement Admitted by Armour-Rockefeller Department of Agriculture Shown Up - Packers Would Boost Price of Oleo.

WASHINGTON, Feb. 12.—(By Mail)—Recent days in Washington have been characterized by a series of astounding revelations. A great deal of truth has been brought to light in a series of articles in this paper, and it is now possible to see how the public is fleeced by the Armour-Rockefeller department of agriculture.

ARMOUR ADMIN CHARGES... The Armour administration has been charged with falsifying profit statements and with fleecing the public. The charges are based on a report from the department of agriculture.
