THE BOYS
The boys have the "coal" of the Employers Association right with them. They are the ones who know it well enough or they would not have been so successful in placing full page ads in the papers. (I wish of the older men ever would take the time to read the words that would come when they are asked to give anything from labor.)

URGES PASSAGE OF KELLY BILL

Tells Congress It Must Act Promptly to Get Industrial Peace

WASHINGTON, Jan. 7.—(By Mail) Secretary of Labor Wilson today urged the passage of the Kelly bill, which would appropriate \$100,000,000 to the government for the purchase of land minerals and water-power on the public domain, and the Kenyon bill, appropriating \$200,000,000 for immediate construction of work on roads and other public improvements should be promptly passed. This was his answer to the question "What shall congress do to meet the emergency?" Secretary Wilson told the committee that congress must act promptly to prevent unemployment, and to prevent such unemployment in industrial cities as might result from the use of force in their construction.
