Welcome to the new digital-only announcement of the University of Washington Laboratory Medicine News Flash!
As of July 1, 2014, the News Flash will no longer be distributed by print, but will now be sent out by email and also posted on our LabMed website. This is the printable PDF version, accessible on our website. Individual test catalog entries may be accessed by clicking the linked order code. Prices listed in this announcement pertain to clients outside the UW Medicine system. Please contact Reference Lab Services for other client pricing inquiries. Reference Range details are viewable by clicking the individual test component on the orderable web page.

Fee Schedule at Reference Lab Services: 800-713-5198.

- HHV6 Subtyping by PCR: **HH6TYP**
  CPT: 87532x2, Price: $314.34
- Vibrio Culture: (Reflexive)
  CPT: 87046, Price: $16.00

Test Updates effective September 1, 2014

- 1:1 Mix (PRO & PTT & TT): **MIX1P**
  CPT: 85610, 85611, 85670, 85730, 85732, 85384, Price: $98.08
- 16S rRNA Next Generation Sequencing: **NGS16S**
  Specimen Collection & Handling
- AFB MGIT Susceptibilities: (Reflexive)
  CPT: 87188X4
- Anti Merkel Cell Panel: **AMERK**
  CPT: 86256
- Aquaporin 4 Receptor Antibody: **RAQP4G**
  Specimen Collection
- BROCA Cancer Risk Panel: **BROCA**
  Frequency
- ColoSeq™ Lynch and Polyposis Panel: **COSEQ**
  Frequency
- ColoSeq™ Polyposis: **COSEQP**
  Frequency
- Glucose, Fasting: **GLUF**
  Specimen Collection
- Hematocrit: **HCTG**
  Specimen Transport
- Hemoglobin: **HBG**
  Specimen Transport
- HIV-2 Antibody Confirmation: (Reflexive)
  Specimen Collection, Price: $110.00
- Immune Function-PHA Stimulated ATP: **RIMFCN**
  Price: $202.78
- Platelet Count: **PLTG**
  Specimen Transport
- Stool Bacterial Cult. & Sens. For Enteric Pathogens: **STOEPCC**
  CPT: 87045, 87046x3, 87427x2, Price: $142.17
White Blood Cells: WBCG

**Discontinued Tests effective September 1, 2014**

- Leukemia/MPD Molecular Studies: LEUMS Replaced by LLMS
- Lymphoma Molecular Studies: LYMMS Replaced by LLMS
- Trichomonas Culture: TRICHP Replaced by TRICAD
