Welcome to the new digital-only announcement of the University of Washington Laboratory Medicine News Flash!
As of July 1, 2014, the News Flash will no longer be distributed by print, but will now be sent out by email and also posted on our LabMed website. This is the printable PDF version, accessible on our website. Individual test catalog entries may be accessed by clicking the linked order code. Prices listed in this announcement pertain to clients outside the UW Medicine system. Please contact Reference Lab Services for other client pricing inquiries. Reference Range details are viewable by clicking the individual test component on the orderable web page.
