

Dear colleagues,

This letter is to remind you of the upcoming departmental retreat, a day-long affair on Friday, September 23rd, at Talaris. Grad students and postdocs are encouraged to submit posters. There will be prizes in each category. Please submit poster titles to Bonnie ([bbh@uw.edu](mailto:bbh@uw.edu)) by **Monday August 29th**. Even those speaking should present posters as well.

We hope you will all come - there will be innovative entertainment, adult beverages and the opportunity to learn about the department.

Please respond to Bonnie with your attendance **no later than Friday, September 9**.

Thanks

Retreat Committee
