Important notes:

- *Tutoring fee is \$25/hour (\$35/hour for 2-3 students) – this fee cannot be waived.*
- *All tutoring arrangements are negotiated between client and tutor.*
- *The Department of Biostatistics do not accept responsibility for work done by tutors.*
- *See above for a list showing the students available to tutor. Persons interested in tutoring should contact the students listed above directly. We suggest sending email to the students you wish, stating your needs and asking them to reply with their availability. You may also choose to ask whether they are in our Master's or PhD program. We have studied in the program.*
