

Maternal and Child Public Health Leadership Training Program

Certificate in Maternal and Child Health Checklist of Requirements

Student Name: _____ Student ID #: _____

Degree Program: _____

Write in the quarter and year each course is completed.

The overlap of coursework applied toward both a certificate program and a graduate degree program must not exceed 6 credits and is limited to elective coursework in each program. Place a check mark in the last column of each table if the course will be counted for your graduate degree program and the MCH certificate.

A minimum of 9 credits must be completed for a grade. A minimum cumulative GPA of 3.0 in the certificate courses and a minimum grade of 2.7 for each individual course is required.

IA. Required Courses for SPH Students – MS/PhD in EPI or HSERV; MPH in SPH*

Course Number	Course name	Credits	Quarter/ year taken	Course counted for degree and certificate
HSERV 541	Topics in MCH	3
