A. **Regardless of any other provision in this contract, Renter shall not be entitled to use Meany Hall unless the usage has been approved by the University of Washington Use of University Facilities (UUF) Committee.**

B. To obtain approval by the UUF Committee, non-University of Washington entities must secure preliminary approval for their event by a unit within the university. Such preliminary approval implies that a responsible official at the University has applied his or her professional judgment to the content of the program, the qualifications of the individuals conducting the event, the manner of the presentation and has concluded that the event is consistent with the teaching, research, and/or public service mission of the University.

C. Renter must complete the online Request for Use of University Facilities (“RUUF”) form found at: [https://depts.washington.edu/sprogram/](https://depts.washington.edu/sprogram/). The form must include the name and email address of the dean, director, or chairperson of the
sponsoring unit. The completed form is submitted electronically. Notification of approval or denial of the RUUF request will be made via email.

5. **DEPOSIT, PAYMENTS, CANCELLATION FEE AND LATE FEE**

A. A deposit of $500 for each individual date Renter seeks to reserve must be sent to Meany Hall with the signed Agreement. This deposit will be applied towards the cost of the event, or towards the cancellation fees, as applicable.

B. In addition to payment of the deposit:

   - Cancel 0-30 days before the event: Cancellation fee = 100% of the total estimated costs of the event.
   - A rescheduling request will be considered by Meany Hall only if it is made 180 days or more before the event and a mutually agreeable date is available on the calendar. Otherwise, cancellation fees apply.

E. Payments by check will be processed electronically by using the information on the check to create an electronic funds transfer (EFT). For each check tendered in connection with this rental, Renter hereby authorizes the university to withdraw funds in the amount and from the bank account indicated on the check. Cancelled checks will not be returned because the checks must be destroyed after the EFT has been made.

F. Renter’s obligation to make payment shall not be excused by any illness or incapacity of any performer.
6. **CHARGES FOR FACILITY, LABOR & EQUIPMENT**

A. Attached hereto as Exhibit 1 are Meany Hall’s facility, labor and equipment rates.

B. After the date for the Event has been reserved (see section 3.), Meany Hall will schedule a production conference with a representative for the Renter who is authorized to financially obligate the organization. The Renter’s representative should come to the production conference with a clear understanding of the Renter’s specific event needs. At the conclusion of this meeting, Meany Hall will provide to Renter an “Estimate of Charges and Schedule of Payments” which Renter’s representative shall sign upon presentation.

C. The signed “Estimate of Charges and Schedule of Payments” shall become Exhibit 2 to this Agreement.

D. The Estimate in Exhibit 2 will note that it is based on the specifications provided by Renter at the production conference, and that the actual charges may vary if the Renter makes changes to its specifications or times. The final cost of renting Meany Hall will be based on the Renter’s actual level of usage of the facility, labor and equipment at the rates shown in Exhibit 1, as well as any other direct costs incurred on behalf of the Renter.

E. Meany Hall will provide stage technicians, house managers, ushers and any other persons the Meany Hall Managing Director deems necessary for the security and logistical operation of the event. Meany Hall will determine the actual number of staff required. Rental volunteers may not be substituted for any Meany personnel.

D. Renter is solely responsible for the collection and remittance of admission taxes. Renter agrees to fully indemnify the University of Washington for any and all expenses Meany Hall might incur in connection with an assessment of Admission Taxes by the City of Seattle, including but not limited to reimbursement to the University if it remits the taxes, the fair market value of time spent by the University
or its legal counsel in responding to an inquiry by the City of Seattle as to whether
the proper amount of Admissions Tax was remitted for Renter’s event, and any legal
costs associated with such an inquiry.
