

**Department of Materials Science and Engineering**  
**COMBINED BS/MS DEGREE PROGRAM APPLICATION FORM**

Name: \_\_\_\_\_

Circle One:      CerE                      MetE

Your E-mail Address: \_\_\_\_\_ Your MSE Faculty Advisor: \_\_\_\_\_

Anticipated Degree Date of Undergraduate Degree: \_\_\_\_\_ (Quarter and Year)

Anticipated Degree Date of Graduate Degree: \_\_\_\_\_ (Quarter and Year)

*Students may apply to enter the combined BS/MS program any time after they are accepted into the MSE Department as an undergraduate major. Requirements for application include:*

- 1.) What is your current GPA for the last 90 credits earned? \_\_\_\_\_ (the Department's Academic Counselor can help you determine this GPA)
- 2.) You must complete at least 15 credits of MSE courses with a GPA of 3.4 or higher at the time you apply. Attach to this application an unofficial copy of your UW transcript that shows the number of MSE credits completed (the MSE Academic Counselor can give you a copy of your unofficial transcript)
- 3.) Attach to this application form a one page typed statement of your interests in materials science and engineering, your desired specialty area, and why you wish to pursue the combined BS/MS program
- 4.) On the reverse side of this application form is a quarterly schedule worksheet. Please complete this worksheet detailing when you plan on taking the required courses for both degrees. You can learn about the requirements for both degrees from our Department website: <http://depts.washington.edu/mse/education/education.htm>

You can discuss your course plan with the MSE Academic Counselor

- 5.) Submit your signed application form to the MSE Academic Counselor's Department mailbox. Your application will then be forwarded to your MSE Faculty Advisor for their review and signature.
- 6.) Once your MSE Faculty Advisor reviews and signs this application, it will be forwarded to the Department's Graduate Program Coordinator (GPC). The GPC will review and sign it, and make arrangements for your interview with the Department's Graduate Admissions Committee.

Comments:

Please be advised that if you are accepted into the BS/MS Program by the Department, then you must also apply to the UW Graduate School, this usually occurs in December of your senior year. In addition, BS/MS students are not eligible to apply for a Teaching Assistantship from the Department since this is intended to be an intensive program and a TAship takes considerable time from the research program. However, award of a Research Assistantship, at the discretion of the faculty member, would be appropriate.
