

ENGINEERING TRENDS

Materials Science & Engineering Statistics:

Note: The survey source (ASEE or EWC) is indicated. However, Engineering Trends has edited the reported data where appropriate (see the "Notes" columns).

Note: Faculty numbers and enrollment data are for the Fall of the academic year indicated.

Note: Degree data is collected on an autumn-summer basis, whereas UW/College numbers are on a summer-spring basis.

Note: MSE data shown in table may be the sum of data for sub-programs (e.g., Ceramics, Metallurgy, etc.). See "Notes" column for sub-program data.
