

Health is more than healthcare

# UCONJ 624: Health Equity & Community Organizing (1cr)

Do you see something you wish was different in the

- clinic,
- university, or
- our community?

*Are you ready to take ACTION?*

WORK TOGETHER and SHARE YOUR PASSION for BUILDING POWER for CHANGE

Join experienced Sound Alliance community organizer Joe Chrastil and students from across the Health Sciences in UCONJ 624 to develop your skills in community organizing for health equity. Participate in a campaign that works upstream to address the social determinants of health.

- Apply skills, gain confidence, & collaborate around a community-driven goal
- Work with local leaders to engage in community driven listening and advocacy
- Address the social & structural injustices that contribute & perpetuate health disparities

- Autumn 2014
- Six Thursdays: 5:30-7:20p
- Meeting room: T-439
