

## FAMED 561 LGBTQ HEALTH AND HEALTHCARE DISPARITIES

Autumn Quarter 2018  
October 1<sup>st</sup>-December 3<sup>rd</sup>, 2018  
SLN: 1497A  
Mondays 5:30pm-6:50pm  
Room:T435

As reported by Healthy People 2020, “social determinants of health affecting the health of the [Lesbian, Gay, Bisexual, Trans\*, Queer (LGBTQ)] community largely relate to oppression and discrimination” with examples including, “lack of social programs ... and shortage of health care providers who are knowledgeable and culturally competent in [LGBTQ] health.” FAMED 561 LGBTQ Health and Health Care Disparities will help you gain the background necessary to provide our LGBTQ population an inclusive, person-centered and culturally humble care thanks to our local experts in the field.

This course is open to health profession students, i.e. medical, social work, nursing, behavioral health, pharmacy students. Course Contact: NormaAlicia Pino [pinon@uw.edu](mailto:pinon@uw.edu)
