

INTERPROFESSIONAL ETHICS LAB: NAVIGATING COMPLEXITIES IN BRAIN DEATH

It's a Night of Bioethics!

We invite students in the healthcare professions (e.g., MSW, MPH, MD, DDS, PharmD, BSN, DNP, PT/OT/SLP) to join the Department of Bioethics & Humanities and the Center for Health Sciences Interprofessional Education, Research & Practice for dinner and an evening of connecting with colleagues and engaging in ethical dilemmas!

Ethics Consultants and clinicians from UWMC and HMC will help guide small group discussion using some of the language, principles, and tools that guide bioethicists.

Learning Objectives

- ▶ Learn about principles of ethics and how they can be used to analyze a case of ethical conflict or uncertainty.
- ▶ Work as a collaborative team to apply ethics analysis tools to the healthcare decision-making process.

When: September 27, 2018, 5:30-7:00pm

Where: Health Sciences Building T-229

There will be pizza! Space is limited!
