

## VOLUNTEER RECRUITMENT

[Chinese Information and Service Center \(CISC\)](#) is hosting the 2019 CISC Annual Senior Resource Fair on **Wednesday, September 4, from 10am to 2pm** at the North Bellevue Community Center. Every year, over 300 community members attend the CISC Annual Senior Resource Fair, where they connect with over 30 organizations that provide a wide variety of medical, legal, and social services. With this year's theme "*Dynamic Aging: Be Well. Feel Well. Do Well.*", we aim to gather the community together to support older adults in achieving dynamic aging through meaningful connections and information sharing.

We are looking for **volunteer interpreters (Mandarin/Cantonese, Spanish or Russian)** to assist with language interpretation and **general volunteers** to help with participant registration, guest guidance and other tasks as needed for various programs and workshops at the event. This is a tremendously rewarding experience for volunteers to help older adults connect to much-needed services and encourage them to stay active and engaged in the community.

Volunteer orientation and training will be provided on the day of the event. For inquiries, please contact Sunny Yang at [sunnyy@cisc-seattle.org](mailto:sunnyy@cisc-seattle.org).
