

Department of Earth and Space Sciences
Graduate Student Teaching Assistant Position Announcement

Position Title: Teaching Assistant

Employment Period: 9/16/2019 to 12/16/2019

Position Description: The Department of Earth and Space Sciences is an interdisciplinary physical sciences unit including geology, geomechanics, geobiology, geochemistry, geophysics, and space and planetary sciences. We are seeking TAs for a number of ESS courses. Our Autumn offerings can be viewed [here](https://www.washington.edu/students/timeschd/AUT2019/ess.html).
(<https://www.washington.edu/students/timeschd/AUT2019/ess.html>)

Each TA will assist the instructor with duties related to the teaching of an ESS course including any of the following: leading field trips, attending lectures, instructing lab sections, co-instructing lecture sections, other duties as assigned.

TA responsibilities may include (course dependent):

- attending all lectures
- evaluating student work, including grading exams
- arranging lab and discussion logistics and activities, and preparing course materials
- additional course-specific requirements of the instructors

Eligibility Requirements:

- academic standing as a UW Graduate Student and eligibility to hold a Graduate Student Assistantship
- availability for full appointment time-frame
- previous teaching experience
- academic or other experience with the disciplinary course content
- experience with STEM education/academic STEM background
- excellent written, verbal and interpersonal communication skills

Equivalent education/experience will substitute for all minimum qualifications except when there are legal requirements, such as a license/certification/registration.

Compensation: This is an ASE position governed by the [UAW contract](#) paid in accordance with [2019-2020 TA salary schedules](#).

To apply please fill out the application form [here](#).

<https://forms.gle/uLMiWRAuUHhzQgrw8>

Deadline: Submit your application materials by September 7, 2019

Acceptance: If offered the position, the candidate must accept within one week.

Notification: Those candidates not hired will be notified via email.

Notes: This job classification is governed by a negotiated labor contract and is subject to union shop provisions. For more information about union shop provisions, visit:
