

## CURRICULUM VITAE

November 18, 2019

**David Huh, Ph.D.**

### *Office Address*

Indigenous Wellness Research Institute  
University of Washington School of Social Work  
Box 354900  
4101 15th Ave NE  
Seattle, WA 98105-6299

Office Phone: (206) 543-3692  
Mobile Phone: (206) 552-9848  
Fax: (206) 543-1228  
E-mail: [dhuh@uw.edu](mailto:dhuh@uw.edu)

### *Place of Birth*

Los Angeles, California

### *Citizenship*

United States

### *Psychologist License*

Washington State, #PY60611033

## EDUCATION

### *Doctor of Philosophy*

September 2006 – August 2012

**University of Washington, Seattle, WA**

Clinical Psychology, Quantitative Psychology (minor)

*Dissertation:* “Developing a Bayesian statistical approach to behavioral intervention trials”

### *Master of Science*

September 2006 – December 2008

**University of Washington, Seattle, WA**

Clinical Psychology

*Thesis:* “A comparison of analysis of covariance, generalized estimating equations, and generalized linear mixed regression for evaluating HIV medication adherence interventions”

### *Bachelor of Science*

September 1999 – June 2003

**University of Oregon, Eugene, OR**

Psychology, General Science

September 2000 – December 2001

**Northwestern University, Evanston, IL**

Psychology

## RESEARCH POSITIONS

April 2015 – Present

**Director of the Methods Division**, Indigenous Wellness Research Institute (School of Social Work, University of Washington)

July 2014 – Present

**Research Scientist**, Indigenous Wellness Research Institute (School of Social Work, University of Washington)

- July 2014 – June 2015      **Research Scientist**, Center for the Study of Health and Risk Behaviors (Department of Psychiatry and Behavioral Sciences, University of Washington)
- October 2012 – June 2014      **Postdoctoral Fellow**, Center for the Study of Health and Risk Behaviors (Department of Psychiatry and Behavioral Sciences, University of Washington)
- July 2009 – June 2011      **Research Assistant**, Indigenous Wellness Research Institute (School of Social Work, University of Washington)  
*Projects:* The Honor Project, Healthy Hearts Across Generations
- September 2006 – June 2011      **Research Assistant**, Department of Psychology, University of Washington  
*Projects:* Promoting Adherence for Life; Developing an Antiretroviral Adherence Program in China; Multi-Site Study for Adherence, Drug Resistance and Virologic and Clinical Outcomes; Addressing Depression and ART Adherence in HIV+ Latinos on the US-Mexico Border
- June – October 2006      **Data Analyst**, Abacus Research, LLC, Eugene, OR
- July 2004 – July 2006      **Research Assistant**, University of Texas at Austin  
*Projects:* Body Project, Austin Adolescent Development Study

## RESEARCH GRANTS

### Current Funding

- NIH/NIAAA - R01 AA019511 (Huh, Site PI)**      \$524,439      5/2017 – 4/2022  
*Estimating comparative effectiveness of alcohol interventions for young adults- Subaward to UW*  
The proposed research expands and enhances an earlier R01 grant (R01 AA019511) focused on pooling and analyzing individual participant data (IPD) from 24 studies ( $N = 24,336$  at baseline; 12,630 randomized) to examine the efficacy of brief motivational interventions (BMIs) for college students by using the cutting-edge methodology with a comprehensive set of data with the end goal of providing an authoritative summary of the alcohol intervention field for adolescents and young adults.  
Role: Site Principal Investigator
- NIH/NIDA - R01 DA041486 (Comtois, PI)**      \$1,841,800      8/2016 – 6/2021  
*Preventing Addiction Related Suicide (PARS) - Controlled Trial of Secondary Suicide Prevention.* The goal of this study is to evaluate the effectiveness and utility of the NIDA R21 developed “Preventing Addiction Related Suicide” (PARS) program by utilizing a novel stepped wedge design to evaluate PARS as a selected prevention program to increase help-seeking by clients in community addiction treatment.

Role: Co-investigator

**NIH/NIDA - R01 DA037176 (Walters, PI)** \$3,572,176 6/2014 – 5/2020

*Yappalli Choctaw Road to Health*

This is a 5-year project to refine and test the efficacy of Yappalli Choctaw Road to Health, a culturally-focused, strengths-based outdoor experiential obesity-AOD risk prevention and health leadership program targeting at-risk adult Choctaw women ( $N = 150$ ) across 5 regions of the Choctaw Nation of Oklahoma.

Role: Research Scientist

**NIH/NIMHD - R01 MD011574 (Pearson & Kaysen, PIs)** \$3,265,018 9/2016 – 6/2021

*Preventing HIV among Native Americans through the treatment PTSD & substance use*

This study proposes a 5-year two-arm randomized comparative effectiveness trial to evaluate prevention of HIV sexual risk behavior by directly addressing PTSD using Narrative Exposure Therapy (NET) or substance use through Motivational interviewing with skill training (MIST) among 200 AI men and women 16 years or older living on or near the a rural reservation.

Role: Research Scientist

**HHS/SAMHSA - H79SM081963 (Pearson, Site PI)** \$4,999,603 3/2019 – 3/2024

*Yakama Nation Healthy Transitions Program – Subaward to UW*

This study will provide developmentally appropriate, culturally and linguistically competent services and supports to SMD (serious emotional disturbance or a serious mental illness) youth ages 16-15 in the Yakama Nation through the evidence-based program “Transition to Independence Process” (TIP) model.

Role: Research Scientist

**Applications Under Review**

**NIH/NIMH (Rao, PI)** \$3,251,438 7/2020 – 6/2025

*Intervening with Pregnant Women on Depression in South India*

India has high rates of perinatal depression and suicide among women. This study aims to work with pregnant women with depression to understand how three programs of different lengths compare for reducing depression in this population. We will also examine engagement in treatment, costs of treatment, potential benefits for the child, and potential for facilities to adopt the treatment into regular practice. This R01 application proposes a comparative effectiveness trial comparing Interpersonal Counseling, Interpersonal Therapy, and the Thinking Healthy Program for reducing perinatal depression at 12 months postpartum among 276 pregnant women in India with mild to moderate depressive systems.

Role: Research Scientist

**NIH/NIMHD (Walters, PI)** \$3,589,939 9/2019 – 8/2024

*Wakaya: Rising Up for Choctaw Youth Health*

This R01 application responds to PAR 18 324 “Testing Interventions for Health-Enhancing Physical Activity” and is a multi-level 12 month physical activity intervention that is designed to increase physical activity and reduce sedentary behavior among American Indians. Secondary outcomes include alcohol, tobacco, and other drug (ATOD) use risk prevention and health

leadership program. This project will include 176 at-risk Native youth across 4 communities (44 youths from each community) in the Choctaw Nation of Oklahoma.

Role: Co-Investigator

**NIH/NIMHD (Pearson, PI)** \$3,887,484 4/2020 – 3/2025  
*Virtual (VR2L) Connections: HIV, Opioid and Other Substance Use Prevention among Indigenous Sexual and Gender Minorities*

This R01 application proposes a novel, innovative, rigorously tested and reproducible intervention using web-based virtual world technology. It aims to promote well-being, community connectedness, sexual health, and substance use prevention for American Indian, Alaska Native, Native Hawaiian, Pacific Islander (Indigenous) sexual and gender minorities (SGM). The Vr2L Connections intervention has the potential to improve HIV prevention and reduce substance use risk behaviors in diverse Indigenous SGM with potential long-term implications for reducing sexual risk taking and substance misuse, markedly reducing Indigenous SGM health disparities, and improving Indigenous community health.

Role: Co-investigator

**NIH/NIDA (Walker, PI)** \$2,012,326 4/2020 – 3/2024  
*Cultural Adaptation of Motivational Enhancement Therapy to Address Substance Use Among Rural AIAN Youth*

This R01 application responds to PAR 18 324 “Testing Interventions for Health-Enhancing Physical Activity” and proposes a 4-year trial to adapt and test the Teen Marijuana Check-up, an evidence-based intervention to reduce substance use in adolescents, for Indigenous youth aged 13-18 who are using alcohol and/or marijuana and who are not in substance abuse treatment.

Role: Co-Investigator

**NIH/NIMHD (Evans-Campbell, PI)** \$3,436,786 4/2020 – 3/2025  
*Chemawa Hero’s Journey of Transformation (CHJOT)*

The CHJOT Intervention is an AI-centered, experiential, 12-week behavioral intervention that integrates *Discovering Our Stories* and *Discovering Yiang* as well as components of motivational interviewing, information-motivation-behavior, and positive youth leadership development framework for American students at Chemawa Boarding School (ages 14-16).

Role: Co-Investigator

**NIH/NIMH (Simoni, PI)** \$3,099,434 4/2020 – 3/2024  
University of Washington Developmental AIDS Research Center for Mental Health (UW ARCH)

The proposed P30 Developmental AIDS Research Center aims to catalyze research that will transform the epidemic, with a focus on integrating care for mental health and associated behavioral factors into prevention and treatment strategies. Furthermore, we will support and apply the science of dissemination and implementation to enable such interventions to go to scale. Evolving from a year-long strategic planning process, this P30 aims to bridge a considerable gap in HIV behavioral and social science research at the University of Washington. At the same time, it capitalizes on the considerable strengths of the UW’s HIV research centers, training programs, and research.

Role: Research Scientist

### **Completed Funding**

**NIH/NICHD - R01 HD082181 (Pearson, PI)** \$1,554,495 9/2014 – 6/2019

*Increasing AIAN Research Engagement through a Culturally Adapted Ethics Training*

The overarching goal of the proposed research is to strengthen research capacity and increase AIAN community involvement in NIH-funded research by developing and psychometrically validating a Collaborative IRB Training Initiative (CITI) training that is relevant, passable and accessible.

Role: Research Scientist

**NIH/NIGMS AIAN CTRP - 1054GM115371 (Belcourt, PI)** \$50,000 8/2017 – 7/2018

*Adaption and Pilot test of Narrative Exposure Therapy among American Indians Living on the Blackfeet Reservation*

American Indian and Alaska Native Clinical Trail & Transformational Research Program (AIAN CTRP).

Role: Consultant

**NIH/NIMH - R01 MH098675 (Rao, PI)** 9/2013 – 6/2018

*Reducing HIV Stigma to Improve Health Outcomes for African-American Women*

This project is a randomized controlled trial to test the effectiveness of a stigma reduction intervention adapted for use with African American women living with HIV.

Role: Research Scientist

**Department of Defense - W81XWH-10-2-0181 (Comtois, PI)** 4/2013 – 4/2018

*Military Continuity Project (MCP)*

This research utilizes text messaging to create and investigate the efficacy of a Continuing Contacts via Text (CCVT) intervention that extends the continuity of care for Service Members with a recent suicide attempt and/or reported suicidal ideation by sending them non-demanding caring text messages at regular intervals over a 12-month period.

Role: Research Scientist

**NIH/NIMHD - P60 MD006909 (Walters, PI)** 8/2012 – 2/2018

*Indigenous Wellness Research Institute National Center of Excellence*

This infrastructure development grant is designed to develop the Indigenous Wellness Research Institute at the University of Washington as a National Comprehensive Center of Excellence devoted to AIAN health and health disparities research and to develop a cadre of NIH-funded AIAN behavioral scientists.

Role: Division Director

**NIH/NIGMS AIAN CTRP - 1054GM115371 (Belcourt, PI)** \$88,000 2/2017 – 7/2017

*Assessing Trauma-focused Interventions for Cultural Adaptation with the Blackfeet Community*

American Indian and Alaska Native Clinical Trail & Transformational Research Program (AIAN CTRP).

Role: Consultant

**Department of Defense - W81XWH-11-1-0164 (Jobes, PI)** \$2,940,215 3/2011 – 9/2016  
*Operation Worth Living Project With Suicidal Soldiers at Ft. Stewart (OWL)*

This Randomized Clinical Trial (RCT) compares the effectiveness of CAMS versus Enhanced Care As Usual (E-CAU) in a sample of 150 active-duty Army Soldiers experiencing suicidal ideation and/or behaviors.

Role: Research Scientist

**NIH/NIDA - R34 DA034529 (Pearson, PI)** \$644,668 8/2012 – 7/2015  
*Cognitive Processing Intervention for HIV/STI & Substance Use among Native Women*

This study proposes a 3-year pilot project to culturally adapt and pilot an empirically supported trauma-focused treatment, Cognitive Processing Therapy (CPT) for PTSD, substance use and HIV/STI sexual risk behavior among 50 AI women.

Role: Research Scientist

**NIH/NIDA - R01 DA025051 (Larimer, PI)** \$2,183,600 2/2010 – 1/2015  
*RCT of Web vs. In-Person SUD and Comorbidity Treatment*

The broad, long-term objective of this research is to reduce the prevalence of disordered gambling and co-morbid substance use disorders and related harm in the population, through development of efficacious and cost-effective indicated prevention/early intervention techniques.

Role: Research Scientist

**NIH/NIAAA - R01 AA019511 (Mun, PI)** \$2,218,450 4/2010 – 3/2015  
*Innovative Analyses of Alcohol Intervention Trials for College Students*

This project aims to identify mechanisms of change following brief alcohol intervention by pooling existing raw data from 24 intervention trial studies using integrative data analytic techniques.

Role: Research Scientist

**NIH/NIAAA - T32 AA007455 (Larimer, PI)** 2/2013 – 6/2014  
*Psychology Training in Alcohol Research*

This training grant supports post-doctoral fellows in alcohol research.

Role: Postdoctoral Fellow

**NIH/NIMH - R01 MH061957 (Stice, PI)** \$101,039 5/2004 – 1/2006  
*Test of a Dissonance Eating Disorder Prevention Program – Minority Training Supplement*

This minority training supplement provided training in behavioral health research with a focus on quantitative methodology and the analysis of randomized controlled trial data from an eating disorder prevention study with adolescent females.

Role: Research Assistant

6. Kramer, S., Benki-Nugent, S., **Huh, D.**, Kemp, C., Turan, J., Simoni, J. M., . . . Rao, D. (in preparation). Effects of co-occurring stigmas on PTSD and depression among African-American women living with HIV who use substances. *Social Work and Mental Health*.
5. **Huh, D.**, Zhou, Z., & Mun, E.-Y. (in preparation). A comparison of one-step vs. two-step approaches for individual participant data meta-analysis of alcohol use data with many zeroes.
4. **Huh, D.**, McCarty, R. L., Parker, M., Levy, R. L., Simoni, J. M., Mohammed, S. A., . . . Walters, K. L. (in preparation). A randomized controlled trial of a culturally-grounded

cognitive behavioral intervention for reducing cardiovascular disease risk among American Indians with prediabetes or diabetes. *Journal of Counseling and Clinical Psychology*.

3. Parker, M., **Huh, D.**, Nicdao, E., Duran, B. M., Walters, K. L., Simoni, J., & Solomon, C. (in preparation). Prevalence of mental disorders and treatment-seeking among urban lesbian, gay, bisexual, transgender, and two-spirit American Indians and Alaska Natives. *American Indian and Alaska Native Mental Health Research*.
2. Duran, B. M., **Huh, D.**, Parker, M., & White, L. (in preparation). Health care utilization among American Indian and Alaska Native tribal college and university students.
1. Walters, K. L., Evans-Campbell, T., **Huh, D.**, Duran, B., Pearson, C. R., Beltran, R., & Simoni, J. M. (in preparation). Historical trauma among two spirit American Indians and Alaska Natives. *Ethnicity & Disease*.

## PRESENTATIONS

### Oral Presentations and Symposiums

20. Bedard-Gilligan, M., **Huh, D.**, Kaysen, D., & Pearson, C. R. (2019, November). Impact of cannabis use on PTSD, alcohol and sexual risk behavior outcomes in a sample of Native American women. In M. Bedard-Gilligan (Chair), *Cannabis use and PTSD: Exploring effects on etiology, maintenance, and recovery*. Symposium conducted at the 35th Annual Meeting of the International Society for Traumatic Stress Studies, Chicago, IL.
19. **Huh, D.**, & Atkins, D. C. (2019, May). Methodological advances in individual participant data meta-analysis with zero-altered addictions outcomes: An illustration with college drinking interventions. In E. E. Tanner-Smith (Chair), *The promise of individual participant data meta-analytic approaches for examining the effectiveness of brief alcohol interventions*. Symposium conducted at the 27th Annual Society of Prevention Research Meeting, San Francisco, CA.
18. Whiteside, U., Zhang, X., Wong, A. J., Richards, J., Nordhauser, R., & **Huh, D.** (2018, September). *Meet you at NowMattersNow.org: Introducing evidence-based interventions for suicidal individuals*. Oral presentation at the 17th Annual European Symposium on Suicide and Suicidal Behavior, Ghent, Belgium.
17. Kaysen, D., Bedard-Gilligan, M., **Huh, D.**, Smartlowit-Briggs, L., & Pearson, C. R. (2017, November). Mechanisms of change in Cognitive Processing Therapy among American Indian women. In M. Kovacevic (Chair), *Assessment and treatment of culturally diverse trauma-exposed groups in low-resource settings*. Symposium conducted at the 51<sup>st</sup> Annual Convention of the Association for Behavioral and Cognitive Therapies, San Diego, CA.
16. Kaysen, D., Bedard-Gilligan, M., **Huh, D.**, Smartlowit-Briggs, L., & Pearson, C. R. (2017, November). Mechanisms of change in Cognitive Processing Therapy among American

- Indian women. In C. Monson (Chair), *The assessment and treatment of trauma in complex settings: How culture can impact the experience of trauma, symptom presentation, and treatment implications*. Symposium conducted at the 33rd Annual Meeting of the International Society for Traumatic Stress Studies, Chicago, IL.
15. **Huh, D.**, Mun, E.-Y., & Atkins, D. C. (2014, May). *How do we combine two treatment arm trials with multiple arms trials in IPD meta-analysis? An illustration with college drinking interventions*. Paper presented at the 4th annual Modern Modeling Methods Conference, Storrs, CT.
  14. **Huh, D.**, Mun, E.-Y., & Atkins, D. C. (2014, May). *How do we combine two treatment arm trials with multiple arms trials in IPD meta-analysis? An illustration with college drinking interventions*. Paper presented at the 4th annual Modern Modeling Methods Conference, Storrs, CT.
  13. White, H. R., **Huh, D.**, Atkins, D. C., Mun, E.-Y., Ray, A. E., Kim, S.-Y., . . . Larimer, M. E. (2013, May). *Are there secondary effects on marijuana use from alcohol interventions for college students?* Paper presented at the Society for Prevention Research 21st Annual Meeting, San Francisco, CA.
  12. **Huh, D.**, Kaysen, D., & Atkins, D. C. (2013, May). *Modeling cyclical patterns in daily college drinking data with many zeroes*. Paper presented at the 3rd annual Modern Modeling Methods Conference, Storrs, CT.
  11. Simoni, J. M., Wiebe, J. S., Saucedo, J. A., **Huh, D.**, Longoria, V., Sanchez, G., et al. (2012, June). A culturally adapted intervention to treat depression and ART nonadherence on the U.S.-Mexico border: Final (promising!) results from a pilot RCT. Oral presentation at the 7th NIMH/IAPAC International Conference on HIV Treatment Adherence, Miami, FL.
  10. Pantalone, D. W., **Huh, D.**, Nelson, K., Pearson, C. R., & Simoni, J. M. (2011, November). Prospective predictors of unprotected sex in HIV-positive sexual minority men starting or re-starting antiretroviral therapy. In J. T. Parsons (Chair), *HIV-Related Sexual Risk among MSM*. Symposium presentation at the 51st Annual Meeting of the Society for the Scientific Study of Sexuality, Houston, TX.
  9. Simoni, J. M., Wiebe, J. S., Saucedo, J. A., Sanchez, G., Longoria, V., **Huh, D.**, et al. (2011, May). *A culturally adapted intervention to treat depression and ART nonadherence on the U.S.-Mexico border: Feasibility and initial results from a pilot RCT*. Oral presentation at the 6th NIMH/IAPAC International Conference on HIV Treatment Adherence, Miami, FL.
  8. Simoni, J. M., Wilson, I., Goggin, K., Reynolds, N., Remien, R. H., **Huh, D.**, et al. (2011, May). *Can substance use and depression account for race/ethnicity disparities in ART adherence? A closer look at findings from the MACH14 study*. Oral presentation at the 6th NIMH/IAPAC International Conference on HIV Treatment Adherence, Miami, FL.

7. Simoni, J. M., Wiebe, J. S., Saucedo, J. A., Sanchez, G., Longoria, V., **Huh, D.**, et al. (2011, May). *A culturally adapted intervention to treat depression and ART nonadherence on the U.S.-Mexico border: Feasibility and initial results from a pilot RCT*. Oral presentation at the 6th NIMH/IAPAC International Conference on HIV Treatment Adherence, Miami, FL.
6. **Huh, D.**, Simoni, J. M., & Flaherty, B. P. (2009, June). *A comparison of ANCOVA, generalized estimating equations, and generalized linear mixed regression for evaluating HIV medication adherence interventions*. Oral presentation at the Western North American Region/International Biometric Society Annual Meeting, Portland, OR.
5. Simoni, J. M., **Huh, D.**, Chen, W., & Nelson, K. (2009, April). *Promising results from an RCT of a nurse-delivered ART adherence promotion program in China*. Paper presented at the 4th NIMH/IAPAC International Conference on HIV Treatment Adherence, Miami, FL.
4. Simoni, J. M., **Huh, D.**, Frick, P. A., Pearson, C. R., Lehavot, K., Dunbar, P. J., et al. (2009, April). *Final results from an RCT evaluating the effect of peer and pager support on antiretroviral adherence*. Paper presented at 4th NIMH/IAPAC International Conference on HIV Treatment Adherence, Miami, FL.
3. Simoni, J. M., Chen, W., **Huh, D.**, Zhao, H., Fredriksen-Goldsen, K. I., Pearson, C., et al. (2009, April). *An RCT of a nurse-delivered medication adherence intervention among antiretroviral therapy-naïve outpatients in Beijing, China*. Presented at 4th International Conference on HIV Treatment Adherence, Miami, FL.
2. Simoni, J., Frick, P. A., Pearson, C., Hooton, T., **Huh, D.**, & Rojas, S. (2007, March). *Preliminary RCT findings demonstrate effect of peer and pager support on antiretroviral adherence*. Paper presented at 2nd International Conference on HIV Treatment Adherence, Jersey City, NJ.
1. Alonso, T., Decker, R., & **Huh, D.** (2003, July). *Parental involvement on Latino youth outcomes*. Oral presentation the Annual NIDA Summer Internship Conference, Seattle, WA.

### Invited Talks

4. Simoni, J. M., Chen, W.-T., **Huh, D.**, Zhao, H., Fredriksen-Goldsen, K. I., Pearson, C. R., Shiu, C., Zhang, F. (2012, July). *Promoting HIV adherence in China with nurse-delivered counseling*. Invited Presentation at The Frontier of HIV/AIDS Research in China: Biological and Behavioral Aspects, Washington, D.C.
3. **Huh, D.** (2007, December). *Findings from Project PAL: Did peer and pager support promote antiretroviral adherence at Madison Clinic?* Presentation at Madison Clinic, Harborview Medical Center, Seattle, WA.
2. Simoni, J. M., **Huh, D.**, & Pearson, C. R. (2007, December). *Findings from Project PAL: Did peer and pager support promote antiretroviral adherence at Madison Clinic?* Paper

presented at University of Washington CFAR Research Day, Harborview Medical Center, Seattle, WA.

1. Simoni, J. M., & **Huh, D.** (2007, June). *Findings from Project PAL: Did peer and pager support promote antiretroviral adherence at Madison Clinic?* Presentation at the 2007 AIDS & STD Research Symposium, Harborview Medical Center, Seattle, WA.

### **Posters**

10. Lipira, L., Williams, E. C., Green, P. A., **Huh, D.**, Heagerty, P., French, A., ... Rao, D. (2017, February). *HIV stigma, depression, adherence and viral load among African-American women living with HIV.* Poster presented at the annual Conference on Retroviruses and Opportunistic Infections, Seattle, WA.
9. Rao, D., **Huh, D.**, Cohn, S. E., Turan, J., Mugavero, M., & Simoni, J. M. (2016, July). *Preliminary results from a randomized controlled trial of UNITY: HIV stigma reduction intervention for African American women.* Poster presented at the 21st International AIDS Conference, Durban, South Africa.
8. **Huh, D.**, Atkins, D. C., Ray, A. E., White, H. R., & Mun, E.-Y. (2014, June). *Interventions for college student drinking are not as effective or powerful as we think: An individual participant-level data meta-analysis.* Poster presented at the 37th Annual Research Society on Alcoholism Scientific Meeting, Bellevue, WA.
7. Ray, A. E., Kim, S.-Y., White, H. R., Mun, E.-Y., Clarke, N., Jiao, Y., Atkins, D. C., **Huh, D.**, Larimer, M. E., and the Project INTEGRATE Team (2014, May). *When less is more and more is less in brief motivational interventions: Characteristics of intervention content and their associations with drinking outcomes.* Poster presented at the 37th Annual Research Society on Alcoholism Scientific Meeting, Bellevue, WA.
6. **Huh, D.** (2013, August). *Analizando patrones cíclicos en los datos de consumo de alcohol.* Poster presented at the 2013 World Mental Health Congress of the World Federation for Mental Health, Buenos Aires, Argentina.
5. **Huh, D.**, Simoni, J., & Flaherty, B. (2011, May). *A comparison of logistic generalized estimating equations with planned contrasts versus growth curves for evaluating antiretroviral adherence interventions.* Poster presented at the 6th NIMH/IAPAC International Conference on HIV Treatment Adherence, Miami, FL.
4. Lehavot, K., **Huh, D.**, Simoni, J. M., Andrasik, M. P., King, K. M., & Walters, K. L. (2009, August). *Social support moderates the substance use-medication adherence relationship among HIV+ individuals?* Poster presented at the 117th Annual Convention of the American Psychological Association, Boston, MA.

3. Simoni, J. M., **Huh, D.**, Frick, P., & Hooton, T. (2009, August). *Do adherence interventions decrease HIV viral load? A moderator analysis*. Poster presented at the 117th Annual Convention of the American Psychological Association, Boston, MA.
2. Simoni, J. M., **Huh, D.**, Yard, S., Balsam, K., Lehavot, K., & Pearson, C. (2008, August). *Does peer support improve mental health outcomes? Results from an RCT among HIV-positive men and women*. Poster presented at the 116th Annual Convention of the American Psychological Association, Boston, MA.
1. **Huh, D.**, Simoni, J., & Flaherty, B. (2008, March). *Statistical methods for randomized controlled trials: A comparison of ANCOVA, linear mixed regression, and generalized estimating equations for evaluating HIV medication adherence interventions*. Poster presented at the 3rd NIMH/IAPAC International Conference on HIV Treatment Adherence, Jersey City, NJ.

## TEACHING

### Courses

September 2013 –  
December 2014

**PSY 499: Undergraduate Research Seminar**, Center for the Study of Health and Risk Behavior, University of Washington

### Workshops

February 2019

**Bridging the Gap: From Application to Funding**

Provided mentorship on grant writing and quantitative methods to 11 early-career American Indian and Alaskan Native researchers over a 2-day workshop at the Center for American Indian and Rural Health Equity, Montana State University, Bozeman, MT.

July 2016 – August 2016

**An Accelerated Course in SEM using Stata**

A three-day statistics workshop for doctoral students and faculty in the Department of Global Health, University of Washington

July 2016 – August 2016

**An Accelerated Course in SEM using R**

A three-day statistics workshop for doctoral students and faculty in the Department of Psychiatry and Behavioral Sciences, University of Washington

June 2015 – July 2015

**The Analysis of Clinical Trial Data**

A three-day statistics workshop for doctoral students and faculty in the Department of Psychiatry and Behavioral Sciences, University of Washington

### Guest Lectures

- February 28, 2019      **Statistical Power for Secondary Data Analysis**  
Mental Health Services Research Team, Department of Psychiatry  
and Behavioral Sciences, University of Washington
- August 2, 2018      **Data Visualization**  
Mental Health Services Research Team, Department of Psychiatry  
and Behavioral Sciences, University of Washington
- July 19, 2018      **Individual Participant Data Meta-Analysis**  
Mental Health Services Research Team, Department of Psychiatry  
and Behavioral Sciences, University of Washington
- February 17, 2014      **Crafting a Successful Academic CV**  
PSY 499 Undergraduate Research Seminar, Center for the Study of  
Health and Risk Behavior, University of Washington
- May 9, 2013      **Research Skills for the Future**  
PSY 499 Undergraduate Research Seminar, Center for the Study of  
Health and Risk Behavior, University of Washington

### CLINICAL EXPERIENCE

- July 2011 – June 2012      **Psychology Resident**, Department of Psychiatry and Behavioral  
Sciences, University of Washington.  
Psychiatry Consult and Liaison Services, Inpatient Psychiatry, and  
Outpatient Psychiatry Clinic  
*Mentors:* Mary Larimer, Ph.D., David Atkins, Ph.D.
- October 2009 –  
November 2010      **Psychology Extern**, Inpatient Psychiatry, University of Washington  
School of Medicine.  
*Supervisors:* Steven Vannoy, Ph.D., Mary Larimer, Ph.D.
- March – August 2009      **Psychology Extern**, Rehabilitation Psychology, University of  
Washington School of Medicine.  
*Supervisors:* Jeanne Hoffman, Ph.D., Mary Pepping, Ph.D.
- March – August 2009      **Family Therapy Team Therapist**, University of Washington  
Psychological Services and Training Clinic.  
*Supervisor:* Corey Fagan, Ph.D.
- November 2007 – June 2009      **Graduate Student Therapist**, University of Washington  
Psychological Services and Training Clinic.  
*Supervisors:* Corey Fagan, Ph.D., Charles Huffine, M.D., Neal  
Teng, Ph.D., Fransing Daisy, Ph.D.

## HONORS AND AWARDS

- June 2009                      Travel Award, Western North American Region/International Biometric Society Annual Meeting
- August 2008                      Wagner Memorial Travel Award, Department of Psychology, University of Washington
- June 2003                      Magna cum laude, University of Oregon  
Departmental Honors in Psychology, University of Oregon

## PROFESSIONAL AFFILIATIONS AND SERVICE

### Organizational Memberships

- American Psychological Association*                      Division 5: Evaluation, Measurement, and Statistics  
Division 38: Health Psychology
- Research Society on Alcoholism*  
*Society of Prevention Research*

### Committee Memberships

- September 2009 – June 2011                      Diversity Steering Committee, Department of Psychology, University of Washington, *Graduate Student Representative*
- September 2009 – June 2011                      Graduate Training Committee, Department of Psychology, University of Washington, *Graduate Student Representative*

### Ad Hoc Reviewer

- 2018 – present                      *BMJ Open*
- 2015 – present                      *Psychological Methods*
- 2014 – present                      *Psychotherapy Research*
- 2014 – present                      *Psychology of Addictive Behaviors*
- 2012 – present                      *Journal of Abnormal Psychology*
- 2012 – present                      *Journal of Consulting and Clinical Psychology*
- 2011 – present                      *AIDS and Behavior*

### Mentoring

- |         | <u>Postdoctoral Fellows</u> | <u>Project(s)</u>  | <u>Institution</u>   |
|---------|-----------------------------|--------------------|--|
| 2018-19 | Christopher DeCou           | Grant applications | University of Washington, Department of Psychiatry and Behavioral Sciences |
|         | <u>Doctoral Students</u>    |                    |  |

2016-19	Christopher G. Kemp	Research article	University of Washington, Department of Global Health
2016-19	Lauren Lipira	Research article	University of Washington, Department of Health Services
2016-18	Jessica Elm	Dissertation	University of Washington, School of Social Work
2018	Megan Ramaiya	F31 application	University of Washington, Department of Psychology
2018	Matthew Ignacio	Dissertation	University of Washington, School of Social Work
2018-19	Samantha Chalker	Dissertation	The Catholic University of America, Department of Psychology
2017	Ciwang Teyra	Research article	University of Washington, School of Social Work
2014	Katie Schultz	Dissertation	University of Washington School of Social Work
2012	Jennifer P. Vilardaga	Dissertation	University of Nevada, Reno
	<u>Masters Students</u>		
2019	Seth Kramer	Research article	University of Washington, School of Social Work
2018-19	Katrin Fabian	Research article	University of Washington, Department of Global Health

## LANGUAGES

*Spanish*

Conversational proficiency in standard and Rioplatense Spanish
