

Clinician Mental Health during COVID-19: A Panel Discussion

Tuesday November 10

6:30-8:00 PM

Zoom: <https://washington.zoom.us/j/3117825083>

Mark B. Snowden MD, MPH

Dr. Snowden is Chief of Psychiatry at Harborview Medical Center and supervisor for psychiatry residents and geriatric psychiatry fellows. His clinical work focuses on geriatric psychiatry patients seen in nursing home settings and in geriatric medicine primary care settings. The focus of his research is on the delivery of evidence-based mental health services to community dwelling older adults.

Sandra C. Walker MD

Dr. Walker is a psychiatrist and psychoanalyst practicing in Seattle. She is a member of the Seattle Psychoanalytic Society and institute faculty and Courtesy Clinical Associate Professor of Psychiatry and Behavioral Sciences at the UWSOM.

Roberto Montenegro MD, PhD

Roberto Montenegro, M.D., Ph.D., is a child and adolescent psychiatrist at Seattle Children's Hospital and UW Medicine and the director of mental health services at Echo Glen Children's Center. He specializes in cross cultural psychiatry and mental health for the deaf and hard of hearing as well as incarcerated youth. Dr. Montenegro completed his Ph.D. in Sociology at UCLA, focusing on Race, Racism, Medical Sociology and Doctor-Patient communication.
