Name

Date

I certify that the information contained in this application is true to the best of my knowledge.

Submit this application along with your personal statement, transcripts, and hard copy of Graduate School Application **in one envelope** to: Graduate Program Assistant, Nutritional Sciences, University of Washington, Box 353410, 305 Raitt Hall, Seattle, WA, 98195-3410. Please make sure the department receives **ALL** application materials **by the deadline, including letters of recommendation** (we recommend you gather the letters yourself and include them in your application packet, to avoid having them arrive late or not at all). *There is no format provided for letters of recommendation.*

The application deadline for the 2010 academic year is February 2nd, 2010. Applications must be postmarked no later than this date. We will no longer accept late or partial applications, and this includes GRE scores. They must be submitted no later than 2/2/10. We do not offer rolling admissions.

GRADUATE SCHOOL APPLICATION:

Submit your application on-line at <https://www.grad.washington.edu/application/>. The on-line application fee is \$65. If you are unable to access this web page, please call them directly at (206) 543-5929 or e-mail them at uwgrad@u.washington.edu.

The University of Washington reaffirms its policy of equal opportunity regardless of race, color, creed, religion, national origin, sex, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with University policy and applicable federal and state statutes and regulations. The University of Washington is committed to providing access, equal opportunity and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities. To request disability accommodation in the application process contact the Disability Services Office at least 10 days in advance at (206) 543-6450/V, (206) 543-6452/TTY, (206) 685-7264 (FAX), or email at dso@u.washington.edu.
