

## OBSTETRICS & GYNECOLOGY

*University of Washington Medical Center*

Dear Student,

We would like to welcome you to your Obstetrics and Gynecology Basic Clerkship. During this six week clerkship you will have the opportunity to apply and increase your knowledge in both clinical and didactic settings. Our faculty members enjoy teaching, especially in a one-on-one basis. We hope you will take advantage of their expertise and learn as much as possible; do not be afraid to ask questions.

The general orientation for Fairbanks students takes place on the first morning of the clerkship at the Interior Women's Health in the Fairbanks, AK. You should review pelvic anatomy before the orientation. You will find the web based Course Guide especially useful because it contains a description of the clerkship, course requirements, and an explanation of the evaluation instruments. The Guide also includes the required topics for course reading. It will be to your benefit to be familiar with all the topics listed, either through experience or through reading. Core textbooks for the rotation will be on loan to you and distributed at orientation. Your rotation schedule will be given to you during orientation at the site. You will need your black bag of instruments for clinic and your white coat.

If you have questions or problems, you may call Kari Baurick at (907)479-7701. She will be happy to help you.

Complete, up-to-date clerkship and schedule information is available online at:

**[www.obgyn.uwmedicine.org/clerkship](http://www.obgyn.uwmedicine.org/clerkship)**
