

# Alumni Remix 2009

On Friday, June 5, 2009, 250 University of Washington alumni came together for the first annual Office of Minority Affairs and Diversity [Alumni Remix](#) at the Seattle Asian Art Museum.

Among those in attendance were fourteen of the Forty under Forty featured in the spring issue of [Viewpoints](#), the University's alumni diversity magazine.

If you missed the Alumni Remix, be sure to save the date for our next alumni event, [The Weekend](#), a homecoming celebration for alumni of color and supporters of diversity, October 23-25.
