Dear Faculty,

Greetings from the UW College Assistance Migrant Program (CAMP)! We hope this quarter is off to a great start! For those of you who are not yet familiar with CAMP, we are a federally-funded program designed to provide personal and academic support services to first-year college students who come from a migrant/seasonal farm working background.

In an effort to enhance our student’s academic success and retention, we are required to monitor their progress to determine if academic support services are needed during the quarter. We would like to ask that you please take the time to complete this Academic Progress Form. Students will be asked to submit this form to us on a monthly basis. These forms are the most critical component of measuring our students’ success. Your comments are particularly helpful if the student is not making satisfactory progress and are even more helpful in retaining these students in school. *If you would prefer an electronic copy of this form so that you may email it, please let us know.

Thank you very much for your assistance in this matter. We look forward to working with you, not only this quarter, but future quarters as well.

Sincerely,

Luz M. Iñiguez
