### First-Time, First-Year (Freshman) Admission

CDS C1. First-time, first-year (freshman) students: Provide the number of degree-seeking first-time, first-year students who applied, were admitted, and enrolled (full- or part-time) in Fall 2010. Include early decision, early action, and students who began studies during summer in this cohort. Applicants should include only those students who fulfilled the requirements for consideration for admission ( i.e., who completed actionable applications) and who have been notified of one of the following actions: admission, nonadmission, placement on waiting list, or application withdrawn (by applicant or institution). Admitted applicants should include wait-listed students who were subsequently offered admission.

Total first-time, first-year (freshman) men who applied 10674
Total first-time, first-year (freshman) women who applied 12169
Total first-time, first-year (freshman) men admitted 5716
Total first-time, first-year (freshman) women admitted 7249
Total full-time, first-time, first-year (freshman) men who enrolled 2532
Total part-time, first-time, first-year (freshman) men who enrolled 32
Total full-time, first-time, first-year (freshman) women who enrolled 2899
Total part-time, first-time, first-year (freshman) women who enrolled 35
Total first-time, first-year (degree-seeking) applied 22843
Total first-time, first-year (degree-seeking) admitted 12965
Total first-time, first-year (degree-seeking) <b>enrolled</b> 5498

CDS C2. Freshman wait-listed students (students who met admission requirements but whose final admission was contingent on space availability).

	Do y	ou have a policy of placing students on a waiting list?	
	Yes	6	
	No		
	If yes	s, please answer the questions below for Fall 2010 admissions:	
	229	Number of qualified applicants offered a place on waiting list	
	130	Number accepting a place on the waiting list	
	391	Number of wait-listed students admitted	
	Is yo	ur waiting list ranked?	
	Yes	0	
	No	⑥	
	If yes	s, do you release that information to students?	
	Yes	0	
	No	0	
	Do y	ou release that information to school counselors?	
	Yes	0	
	No	⑥	
Admission Re	equire	ments	
CDS C3.	High:	school completion requirement.	
	Chec	k the appropriate box to identify your high school completion requirement for degree-seeking entering students	
		High school diploma is required and GED is accepted	
		High school diploma is required and GED is not accepted	
	(6)	High school diploma or equivalent is not required	
C3.1.	Indica applic	ate any special admission requirements for home-schooled applicants that are <i>in addition to</i> those required of all cants:	
		Statement describing home school structure and mission	
	<b>V</b>	Transcript / record of courses and grades	
		State high school equivalency certificate	
		Interview	
		Letter of recommendation from person other than parent	
	If vo	u have other special requirements or policies for home-schooled applicants, please describe here:	
	Eac	h applicant is reviewed case-by-case. To confirm successful completion of certain core subject requirements vels, applicants may be asked to provide additional documentation or placement testing information.	
CDS C4.	Does	your institution require or recommend a general college preparatory program for degree-seeking students?	
	(6)	Require	
	0	Recommend	
		Neither require nor recommend	
CDS C5.	cours	ibution of high school units required and/or recommended. Specify the distribution of academic high school is units required and/or recommended of all or most degree-seeking students using Carnegie units (one unit equal ear of study or its equivalent). If you use a different system for calculating units, please convert.	
		Units required Units recommended	
	Total	Academic 21

#### H. Financial Aid

#### **Financial Aid**

CDS H1. Aid Awarded to Enrolled Undergraduates

Institutional methodology (IM)

Both FM and IM

Enter total dollar amounts **awarded** to enrolled full-time and less than full-time degree-seeking undergraduates (**using the same cohort reported in CDS question B1**, "Total degree-seeking" undergraduates) in the following categories. Note: If the data being reported are final figures for the 2009-2010 academic year (see the next item below), use the 2009-2010 academic year's CDS question B1 cohort. Include aid awarded to international students (i.e., those not qualifying for federal aid). Aid that is non-need-based but that was used to meet need <u>should be reported in the need-based aid column.</u> (For a suggested order of precedence in assigning categories of aid to cover need, see the entry for "non-need-based scholarship or grant aid" in the definitions section above.)

Indicate academic year for which data are reported for items H1, H2, H2A, H3, and H6:

Indicate academic year for which data are reported for items H1, H2, H2A, H3, and H6:
C 2010-2011 estimated
C 2009-2010 final
Which needs-analysis methodology does your institution use in awarding institutional aid?  Federal methodology (FM)

[Survey respondents are encouraged to use zeros throughout the H section, if/when appropriate. Blanks will not be populated automatically with zeros.]	Need-based aid (include non-need-based aid used to meet need) \$	Non-need-based aid (exclude non-need-based aid used to meet need) \$

ist the number of degree-seeking full-time and less-than-full-time und	ergraduates who	had no financial	need and who

### CDS H2A. N

were awarded institutional non-need-based grant or scholarship aid. Numbers should reflect the cohort awarded the dollars reported in H1.

Note: In the chart below, students may be counted in more than one row, and full-time freshmen should also be counted as full-time undergraduates.

	First-time, Full-Time Freshman	Full-time Undergrad (inc. fresh)	Less than Full-time Undergrad
n) Number of students in line <b>a</b> who had no financial need and who were awarded institutional non-need-based scholarship or grant aid (exclude those receiving athletic awards and tuition benefits)			
o) Average dollar amount of institutional non-need-based scholarship and grant aid awarded to students in line <b>n</b>	\$	\$	\$
p) Number of students in line <b>a</b> who were awarded an institutional non-need-based athletic scholarship or grant			
q) Average dollar amount of institutional non-need-based athletic scholarships and grants awarded to students in line <b>p</b>	\$	\$	\$

### H3. Student aid and college costs

Numbers should reflect the cohort to which responses in H1, H2, and H2a refer. Data from these three questions (as well as responses in CDS B1, CDS G1, and CDS H1) will be used by the College Board for its annual reports on aggregate amounts of student aid, tuition discounting, and college costs. These reports do not refer to institutions by name; data are presented in categories such as 4-year private, 4-year public, etc., so that individual institution data cannot be identified.

Indicate academic year for which data are reported for items H1, H2, H2A, H3, and H6:

3/9/2011 10:44 AM 36 of 51

	2010-2011 estimated	
	2009-2010 final	
	Degree-seeking first-time, full-time freshmen

## I. Instructional Faculty and Class Size

Report the number of instructional faculty members in each category for Fall 2010. Include faculty who are on your institution's payroll on the census date your institution uses for IPEDS/AAUP.

CDS I1. The following definition of full-time instructional faculty is used by the American Association of University Professors (AAUP) in its annual Faculty Compensation Survey (the part time definitions are not used by AAUP). Instructional Faculty is defined as those members of the instructional-research staff whose major regular assignment is instruction, including those with released time for research. Use the chart below to determine inclusions and exclusions:

	Full-time	Part-time
(a) instructional faculty in preclinical and clinical medicine, faculty who are not paid (e.g., those who donate their services or are in the military), or research-only faculty, post-doctoral fellows, or pre-doctoral fellows	Exclude	Include only if they teach one or more non-clinical credit courses
(b) administrative officers with titles such as dean of students, librarian, registrar, coach, and the like, even though they may devote part of their time to classroom instruction and may have faculty status	Exclude	Include if they teach one or more non-clinical credit courses
(c) other administrators/staff who teach one or more non-clinical credit courses even though they do not have faculty status	Exclude	Include
(d) undergraduate or graduate students who assist in the instruction of courses, but have titles such as teaching assistant, teaching fellow, and the like	Exclude	Exclude
(e)faculty on sabbatical or leave with pay	Include	Exclude
(f) faculty on leave without pay	Exclude	Exclude
(g) replacement faculty for faculty on sabbatical leave or leave with pay	Exclude	Include

**Full-time instructional faculty**: faculty employed on a full-time basis for instruction (including those with released time for research).

Part-time instructional faculty: Adjuncts and other instructors being paid solely for part-time classroom instruction. Also includes full-time faculty teaching less than two semesters, three quarters, two trimesters, or two four-month sessions. Employees who are not considered full-time instructional faculty but who teach one or more non-clinical credit courses may be counted as part-time faculty.

Minority faculty: includes faculty who designate themselves as Black, non-Hispanic; American Indian or Alaska Native; Asian, Native Hawaiian or other Pacific Islander, or Hispanic.

**Doctor ate**: includes such degrees as Doctor of Philosophy, Doctor of Education, Doctor of Juridical Science, and Doctor of Public Health in any field such as arts, sciences, education, engineering, business, and public administration. Also includes terminal degrees formerly designated as "first professional", including dentistry (DDS or DMD), medicine (MD), optometry (OD), osteopathic medicine (DO), pharmacy (DPharm or BPharm), podiatric medicine (DPM), veterinary medicine (DVM), chiropractic (DC or DCM), or law (JD).

Full-Time

Part-Time

**Terminal master's degree**: a master's degree that is considered the highest degree in a field: example, M. Arch (in architecture) and MFA (master of fine arts in art or theater), or theological professions (MDiv, MHL).

a. Total number of instructional faculty	3046	706
b. Total number who are members of minority groups	636	128
c. Total number who are women	1139	354
d. Total number who are men	1907	352
f. Total number with doctorate or other terminal degree		

#### CDS 12. Student to Faculty Ratio

Report the fall 2010 ratio of full-time equivalent students (full-time plus 1/3 part time) to full-time equivalent instructional faculty (full time plus 1/3 part time). In the ratio calculations, exclude both faculty and students in stand-alone graduate or professional programs such as medicine, law, veterinary, dentistry, social work, business, or public health in which faculty teach virtually only graduate level students. Do not count undergraduate or graduate student teaching assistants as faculty. If faculty teach graduate students and are not part of a stand-alone graduate school they should be included in the student to faculty ratio calculations and counts, if graduate students are not part of a stand-alone graduate school they should be included in the student to faculty ratio calculations and counts.

Fall 2010 Student to Faculty ratio:	to 1 (based on	students and	faculty)

#### CDS 13. Undergraduate Class Size

In the table below, please use the following definitions to report information about the size of classes and class sections offered in the Fall 2010 term.

Class Sections: A class section is an organized course offered for credit, identified by discipline and number, meeting at a stated time or times in a classroom or similar setting, and not a subsection such as a laboratory or discussion session. Undergraduate class sections are defined as any sections in which at least one degree-seeking undergraduate student is enrolled for credit. Exclude distance learning classes and noncredit classes and individual instruction such as dissertation or thesis research, music instruction, or one-to-one readings. Exclude students in independent study, co-operative programs, internships, foreign language taped tutor sessions, practicums, and all students in one-on-one classes. Each class section should be counted only once and should not be duplicated because of course catalog cross-listings.

Class Subsections: A class subsection includes any subsection of a course, such as laboratory, recitation, and discussion subsections that are supplementary in nature and are scheduled to meet separately from the lecture portion of the course. Undergraduate subsections are defined as any subsections of courses in which degree-seeking undergraduate students enrolled for credit. As above, exclude noncredit classes and individual instruction such as dissertation or thesis research, music instruction, or one-to-one readings. Each class subsection should be counted only once and should not be duplicated because of cross-listings.

Using the above definitions, please report for each of the following class-size intervals the number of class sections and class subsections offered in Fall 2010. For example, a lecture class with 800 students who met at another time in 40 separate labs with 20 students should be counted once in the "100+" column in the class section column and 40 times under the "20-29" column of the class subsections table.

#### Number of Class Sections with Undergraduates Enrolled.

## **Undergraduate Class Size (provide numbers)**

	2-9	10-19	20-29	30-39	40-49	50-99	100+	Total
Class		1	10	1	1	1	1	1
Sections	261	508	651	251	239	238	182	2330
Class								
Sub-sections	231	452	1038	250	108	50	1	2130

#### J. Degrees Offered and Awarded

## CDS J. Disciplinary areas of DEGREES CONFERRED

# Degrees conferred between July 1, 2009 and June 30, 2010

For each of the following discipline areas, provide the percentage of diplomas/certificates, associate, and bachelor's degrees awarded. To determine the percentage, use majors, not headcount (e.g., students with one degree but a double major will be represented twice). Calculate the percentage from your institution's IPEDS Completions by using the sum of 1st and 2nd majors for each CIP code as the numerator and the sum of the Grand Total by 1st majors and the Grand Total by 2nd major as the denominator. If you prefer, you can compute the percentages using 1st majors only.

Please note that the only certificate reported in the Degrees Conferred chart below is the certificate below the Associate degree. Any/all other certificates (i.e., Postbachelor's certificate, Post-master's certificate) should not be reported in this chart.

C=Certificate BELOW the Associate degree; A=Associate; B=Bachelor's

	Diploma/Certificate	Associate degrees	Bachelor's degrees	CIP 2010 Categories to Include

# L. List of Majors

null

L1. <u>Using the list below, which was formerly identified as question "A7" of the Annual Survey of Colleges (with the "first professional" label), indicate the availability at your institution of the following graduate programs.</u>

**Note:** The National Center for Education Statistics (NCES) has eliminated the **first professional** designation for advanced degree programs.

Check advanced degrees offered at your institution in the fields of study below:

Dentistry, D.D.S.

Medicine, M.D.

Optometry, O.D.

Osteopathic Medicine, D.O.

Pharmacy, Pharm.D.

Podiatry, D.P.M.

Veterinary Medicine, D.V.M.

Chiropractic, D.C.

- Law, J.D.
- Theological professions (e.g., Master of Theology, Master of Divinity, Doctor of Ministry, Doctor of Theology)
- Rabbinical professions (e.g., Master of Hebrew Letters and Rabbinical Ordination/Rabbinical and Talmud Studies)
- L2. The majors below conform to the <u>Classification of Instructional Programs (CIP) 2010</u>. Select the appropriate checkboxes for each major offered by your institution. Do not select more than one name for each major, and do not select a checkbox if only a course or concentration is offered in that subject.

Click on User Guide in upper right-hand corner of page for detailed List of Majors instructions.

Please note that the only certificate reported in the List of Majors is the certificate below the Associate degree. Any/all other certificates (i.e., Postbachelor's certificate, Post-master's certificate) should not be reported in this chart.

C=Certificate BELOW the Associate degree; A=Associate; B=Bachelor's; M=Master's; D=Doctorate; T=Teaching certificate

## Majors 1. Agriculture, Agricultural Operations, and Related Sciences (01.)

## Majors 2. Natural Resources and Conservation (03.)

C	Α	В	M	D	I	
		~				03.0101 Natural resources/conservation, general
			~	~		03.0201 Natural resources management and policy
		~	$\sim$	~		03.0301 Fishing and fisheries sciences and management
		~	~	~		03.0501 Forestry, general
		~				03.0510 Forest resources production and management
		~				03.0601 Wildlife, fish and wildlands science and management

## Majors 3. Architecture and Related Services (04.)

```
C A B M D T

O4.0201 Architecture

O4.0301 City/urban, community and regional planning

O4.0601 Landscape architecture
```
