Academic Unit Name: __________________________

Please complete this Word document and the accompanying Excel workbook (both of which were provided to your unit via email), and submit them to the Office of Planning & Budgeting (OPB) on or before Friday, November 18. Please email your materials to Becka Johnson Poppe.

1. In the “Planned Expenditures” tab of the Excel workbook, please:
   a) Describe what your unit (school, college, or campus) is doing to **pursue excellence within existing resources**;
   b) Describe what your unit is doing to **streamline activities, and pursue additional efficiencies**; and,
   c) Provide information regarding your unit’s **projected FTEs and planned expenditures for FY17 and FY18**:
      i) When reporting FTE, please assume that 1.0 FTE faculty is equivalent to a nine-month appointment, and 1.0 FTE staff is equivalent to a twelve-month appointment. If this is problematic for any reason, you may report FTE in different terms, but please clearly state your assumptions.
      ii) Expenditure estimates should be broken down by:
          • **Fund type**: permanent ABB funds (i.e. GOF and DOF, excluding carryover) and, if applicable, funds derived from self-sustaining efforts, grants and contracts, philanthropy, and other sources.
          • **Expenditure type**: salaries and benefits, goods and services, contractual services, travel, and other.
      iii) Please describe any assumptions you are making in your response, such as those related to the availability of state or federal funding or projections based on the first complete month of expenditures in FY17, etc. Also, please explain the “other” category, if you put expenses into that column.

   For guidance, please see the example posted at the FY18 Budget Development webpage.

This space intentionally left blank.
2. Using the “Tuition Recommendations” tab of the Excel workbook, please provide your tuition rate recommendations for 2017-18 (FY18) and 2018-19 (FY19). Please note that units will have an opportunity to revisit their 2018-19 tuition recommendations during the FY19 unit budget process.

As always, if your recommendation involves creating a new tuition category, please be sure to identify the original tuition category, the proposed category and suggested tuition rates for FY18 and/or FY19 (depending on the year the new category would begin). If you plan to move only a subset of your programs into a new category, please identify those programs by major name, pathway, level and type.

For each recommended tuition increase, please provide the following information in 500 words or fewer (total):

- Please provide information to justify the increase. This can include information about enrollment plans, peer comparisons, and/or market analyses. Please include information about how the incremental revenue generated will be spent by the school/college/department.

- Please describe whether you expect any substantial enrollment changes (including a change in the resident/nonresident composition) or any changes in the waivers likely to be awarded to your unit’s students.

- Discuss the impact on student debt load.

- Confirm (yes/no) that tuition recommendations were discussed with students.

---

1 Please note rate recommendations for fee-based programs are handled through a separate process than tuition-based programs.

2 If the meeting schedules of faculty and student leadership groups present a challenge, please make accommodations to get approval within the necessary timeframe. However, please note that OPB reviews tuition recommendations on a monthly basis. If necessary, you may submit an update to OPB at a later date, after faculty and students have had an opportunity to review.
3. A number of variables (e.g. the outcome of the 2017 legislative session) will heavily influence the availability of funds for FY18 merit increases and unit adjustments. Despite these unknowns, planning for compensation increases has no doubt begun already. Please describe how your unit plans to deploy existing resources, establish new revenue streams, and/or pursue additional efficiencies to support merit increases and unit adjustments in FY18. If tuition increases are a critical aspect of your plan, please make sure to contemplate potential new revenue streams or increased efficiencies. Please respond in 300 words or fewer.

A salary and tuition revenue model will be available on the FY18 Budget Development webpage by Tuesday, November 1. This model is designed to give you a sense of the magnitude of support that will be required at various salary percentage increases.

4. In-depth conversations about academic personnel needs and policies will occur in other settings throughout the year. However, since such needs and policies are inextricably linked to budgeting, please provide a high-level overview of your unit’s emerging or changing personnel needs. In your response, please contemplate faculty, including lecturers, and staff. Please answer in 300 words or fewer.

At your unit’s meeting with the Provost, please be prepared to discuss your unit’s succession planning activities and adherence to the instructional responsibility policy, the Provost’s guidelines for appointment of full-time and part-time lecturers, and faculty compensation policies.
5. Please identify any significant obstacles or challenges that your unit faces, other than resource constraints. Please plan to discuss these with the Provost. If applicable, please summarize any operational risks that, from your perspective, the UW must work to mitigate over time. Please answer in 300 words or fewer.

6. What is your unit doing to promote and engage in new research and educational collaborations with other UW schools, colleges, and campuses? Please answer in 200 words or fewer.
7. Please **update the carryover usage plan you submitted as part of last year’s budget development process.** To do so, please complete the “**Updated Carryover Usage Plan**” tab of the Excel workbook. Please note:

- Your worksheet is pre-populated with the carryover usage plan you submitted last year and new estimated carryover totals.³
- Please provide updated numbers under "Updated Plan" (Column F).
- If you have new line items, please add rows, as needed.
- For any major updates, please provide a brief description of the change (Column G).

Please note, although cost allocations for the HR/Payroll Modernization Program won’t be available until the new system goes live, units are encouraged to incorporate the original allocations (from the HR/Payroll Cost Allocation plan) into their carryover spending plans. For units that made prepayments, all funds have been held in reserve, and will be applied to your future cost allocations.

If you would like to describe any items from the worksheet in greater detail, please use the space below. **For additional guidance,** please see the example posted at the FY18 Budget Development webpage.

If your unit has a **deficit** instead of a carryover, please confirm that you have an updated deficit mitigation plan in place with OPB. If you do not, please explain why.

---

8. For FY18, the Provost will be deploying *permanent* Provost Reinvestment Funds (PRF) primarily, if not exclusively, to cover compensation increases. Thus, **units are asked to limit PRF requests to temporary funding needed to address critical compliance and/or high institutional priority needs.**⁴

If your unit has a PRF request that fits within these strict parameters, please describe it in the “**PRF Request**” tab of the Excel workbook. Please also indicate what resources you are willing to commit as a match for PRF support.

---

³ As a reminder, carryover balances are calculated at the end of each biennium and can only be estimated mid-biennium.

⁴ Please refer to the University’s Sustainable Academic Business Plan for more information about top institutional goals.
9. **Please confirm that faculty councils AND student leaders within your unit/campus have been consulted** and given the opportunity to provide input as part of this budget planning exercise.

To confirm this, please do **one** of the following:

- Briefly describe who was consulted and when, and provide points of contact for your faculty council and student leadership.
  
  **OR**
  
- Include signed letters from your faculty council chair and student leadership (a scanned PDF is fine) when you submit the rest of your materials.
