Unit	Tuition Category		Current Tier		Proposed Tier		
UW Tacoma	Tacoma - Social Work		Graduate Tier I		Graduate Tier II		

1 These programs have a cohort tuition structure (that is, there are different rates for incoming and continuing students or students pay one rate for all years). For these programs, it must be understood that the change in tuition is **not** applied to students but is applied to the rate for a category or cohort. For UW School of Law JD programs, for example, increases occur in the 1st year only, and then are stable through years 2 and 3.

2 Applied Bioengineering is a one year program. The fee listed above is for 4 quarters including summer.

3 Although these tuition categories will follow Tier I and Tier III rates, respectively, the revenue from interdisciplinary programs will be distributed under a different formula than other tuition revenue, hence the need for separate tuition categories.

4 Rate recommendations for the combined rate are based on the previous "incoming" rate.
