

Overview**Outcome Measures Overview**

Welcome to the IPEDS Outcome Measures (OM) survey component. The OM component collects award and enrollment data from degree-granting institutions on four undergraduate cohorts and eight undergraduate subcohorts at three status points: four-years, six-years, and eight-years after entry.

The four cohorts of degree/certificate-seeking undergraduates are:

- First-time, full-time entering (FTFT)
- First-time, part-time entering (FTPT)
- Non-first-time, full-time entering (NFTFT)
- Non-first-time, part-time entering (NFTPT)

For each cohort, two subcohort groups have been added to the OM component - Pell Grant recipients and Non-Pell Grant recipients - resulting in eight new undergraduate subcohorts.

Major Updates:

- Starting with the 2017-18 collection, all institutions must report on a **FULL-YEAR** cohort. The OM cohort year is 2009-10. The full-year cohort coverage period is July 1, 2009 - June 30, 2010.
- Institutions will establish their OM cohorts based on their subcohorts of entering Pell Grant recipients and Non-Pell Grant recipients. Institutions should first identify their entering degree/certificate-seeking undergraduates during July 1, 2009 - June 30, 2010 and place each student in the appropriate subcohort. Each student should be reported only once.
- A new, third status point of four years after entry has been added to OM component.
- For each status point, institutions will report the highest type of award conferred to a student for each subcohort. The three award categories are certificates, associate's degree, and bachelor's degree. The awards are mutually exclusive within each status point.
- Institutions should report exclusions for the entire eight year period only on the "Establishing Cohorts" screen. Additional exclusions cannot be reported on the status point screens (i.e., four-years, six-years, or eight-years after entry).
- IPEDS will ask for an estimated time it took to complete the OM component. Include in that estimate the time to review instructions, research data sources (i.e., coordinate with IT and Student Aid offices), complete and review the component, and submit the data.

Data Reporting Reminders:

All reporting institutions will report on the entering cohort year: **2009-10 (July 1, 2009 - June 30, 2010)**.

- Four-year status point was as of **August 31, 2013**
- Six-year status point was as of **August 31, 2015**
- Eight-year status point was as of **August 31, 2017**

Reporting Tips:

Carefully read each [OMFAQ](#) before reporting your institution's data. There are new FAQs regarding the major updates to OM 2017-18 collection, such as academic reporters now reporting on a full-year cohort, summer sessions starting prior July 1, reporting awards at different status points, and Pell Grant and Non-Pell Grant recipient subcohorts.

Remember: All institutions are required to report transfer-out student data. Refer to FAQ #33 for more information.

Establishing Cohorts

Establishing Cohorts
2009-10 Entering Undergraduate Cohort
 (July 1, 2009-June 30, 2010: Full Year)

Directions: Begin by identifying your entering degree/certificate-seeking undergraduates for the full year of July 1, 2009 - June 30, 2010. Then report each student under one of the eight subcohorts (Pell or Non-Pell Grant recipients FTFT, FTPT, NFTFT, NFTPT). Each entering student should be reported only once. The four cohorts and total entering students will be calculated based on your subcohort reporting.

NOTE: Once a student is in the cohort, the student remains in the cohort, even if the student's attendance status changes (i.e., full-time to part-time, or vice versa) or if the student drops out, transfers out, or transfers back into the institution during the eight-year period. However, adjustments can be made to the cohort for allowable exclusions, which include the death of a student, permanent disability, military deployment, or service on an official church mission or with a foreign aid service of the Federal government. Exclusions are for the **ENTIRE** eight years for the entering 2009-10 cohort.

Award and Enrollment Status at Eight Years

**Award and Enrollment Status at Eight Years After Entry
2009-10 Entering Undergraduate Cohort
(July 1, 2009-June 30, 2010: Full Year)**

Directions: From the adjusted 2009-10 cohort, report the number of students who earned an award by eight years after entry for each subcohort. If a student earns multiple awards, report only the highest award conferred to the student by the status point (August 31, 2017).

For students that did not receive an award from your institution, report the number of students who are still enrolled at your institution, and then report the number of students who had enrolled at another institution over the eight year period.

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website. The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website. College Navigator is updated approximately three months after the data collection period closes.
